Resolution No. 2022-32054, pursuant Request for Proposals (RFP) 2021-173-KB Mixed-Use Developments Incorporating Class A Office Space (Lincoln Road Class A Office Projects), established that the proposal from TPC Development, LLC for the redevelopment of parking garage G5 would remain under the cone of silence for a period of one year from the date of adoption of the Resolution. As a result, RFP 2021-173-KB was included in prior cone of silence reports. However, the one-year period established in the Resolution expired on February 23, 2023, and the cone of silence is no longer in effect on the solicitation. Therefore, the solicitation has been removed from the report.

It is important to note that competitive solicitations may be issued after the date of this LTC and prior to the release of a subsequent LTC. Therefore, it is recommended that, prior to any communication that may be barred by the Cone of Silence Ordinance, you or your staff review the list of recently issued solicitations, which may be found at https://www.miamibeachfl.gov/city-hall/procurement/bid-opportunities/. Should you have any questions or need additional information on any competitive solicitation, please contact Alex Denis, Chief Procurement
