

## **E-mail permitting**

A **Permit Application** for a sub-permit attached to a master permit can be submitted to the Building Department via email: [applications@miamibeachfl.gov](mailto:applications@miamibeachfl.gov). Download and print the form, complete the application and return the scanned application via e-mail to [applications@miamibeachfl.gov](mailto:applications@miamibeachfl.gov). Please note, only the revised **Permit Application** which includes the *Electronic Submission Statement* may be accepted via e-mail. Below is a list of all sub-permit types (attached to a master permit) that can be submitted via e-mail.
