Subject: **CAPTAIN REID - GRADUATION FROM THE SENIOR MANAGEMENT INSTITUTE FOR POLICE**

This Letter to the City Commission is to advise the Mayor and Commissioners that Captain Dan Reid has graduated from the June 2004 session of the Senior Management Institute for Police (SMIP).

The Senior Management Institute for Police (SMIP), a program of the Police Executive Research Forum (PERF), provides police executives intensive training in the latest management concepts and practices used in business and government. It is a demanding three-week Management Development course and is taught primarily by faculty from the John K. Kennedy School of Government at Harvard University. SMIP brings together leading thinkers in corporate and public management to provide intensive training in the best available management theory and practice, innovative solutions to organizational problems, and discussion of important issues in managing public service organizations effectively. Participants emerge with an understanding of advanced management practices and effective methods of organization, and enhanced awareness of the management methods and resources necessary for performing current or future responsibilities.

Captain Reid is a twenty-two year veteran of the Miami Beach Police Department and currently commands the Third Platoon (afternoon shift) of the Patrol Division. Please join me in congratulating Captain Reid on his graduation from the June 2004 Session of the Senior Management Institute for Police and we all wish him continued success.
