

# MIAMI BEACH

## LETTER TO COMMISSION

106-2014

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy Morales, City Manager

DATE: April 4, 2014

SUBJECT: **FDOT PROJECT: STATE ROAD A1A/COLLINS AVENUE/INDIAN CREEK DRIVE FROM 42 STREET TO 44 STREET AND ALONG 43 STREET**

The purpose of this Letter to Commission is to provide an update on the Florida Department of Transportation (FDOT) construction project, State Road (SR) A1A/Collins Avenue/Indian Creek Drive from 42 Street to 44 Street and along 43 Street.

FDOT will begin construction of a drainage and roadway project the week of April 21, 2014 and will take approximately eight months to complete. To build this project safely, it will be necessary to periodically close travel lanes and perform detours. Construction will be done in stages in order to minimize impacts to the public, special events and peak periods of traffic.

Variable Message Signs (VMS) will be placed by FDOT at key locations in order to inform motorists of the detour routes to be used. In addition, the City of Miami Beach Police Department will help facilitate traffic flow as needed, to ensure that construction impacts to the flow of traffic are minimized.

For more information, please contact Project Engineer, Virgil Versaggi, P.E., at (305) 640-7185, or Public Information Specialist Heather Leslie at (305) 905-5876, [heather@hmlpublicoutreach.com](mailto:heather@hmlpublicoutreach.com).

Please feel free to contact me if you have any questions or concerns.

Begins: April 2014

## OVERVIEW

During the week of April 21, 2014, the Florida Department of Transportation (FDOT) is scheduled to begin a drainage and roadway construction project along SR A1A/Collins Avenue/Indian Creek Drive from 42 Street to 44 Street and along 43 Street.

April 2014 — December 2014

Pedestrian access will be maintained at all times. Lane closure, detours and project information will be posted weekly on the department's website.

## HELPFUL TIPS

- Allow extra time to reach your destination
- Obey all posted signs and speed limits

## ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. The Department takes steps to reduce construction effects, but you might experience the following around the work site.

- Travel lane closures and detours
- Increased dust and noise
- Workers and equipment moving around the area

*Please note that this schedule could change due to bad weather or other unexpected conditions.*
