## MEMORANDUM

To: Jimmy Morales, City Manager

From: Jonah Wolfson, Commissioner

Date: April 13, 2014

Re: **Commission Agenda Item – Discussion Item – Beach walk appearance and maintenance**

Please place on the April 15, 2015 Commission Discussion Agenda:

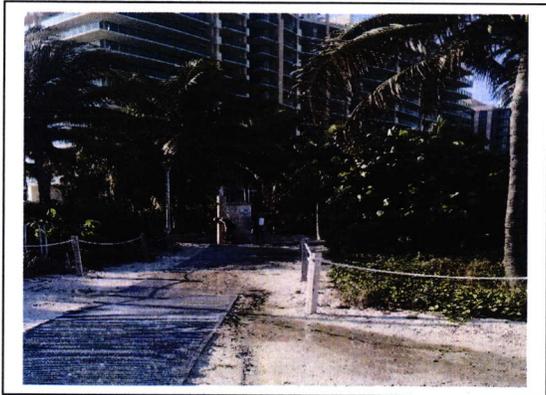

I have attached 8 photos that show the relatively poor and unsafe condition of the beach walk from 14<sup>th</sup> street thru 23<sup>rd</sup> street. I want to discuss the following:

1: What is the maintenance schedule for the roping and cleaning of the pavers on the beach walk?

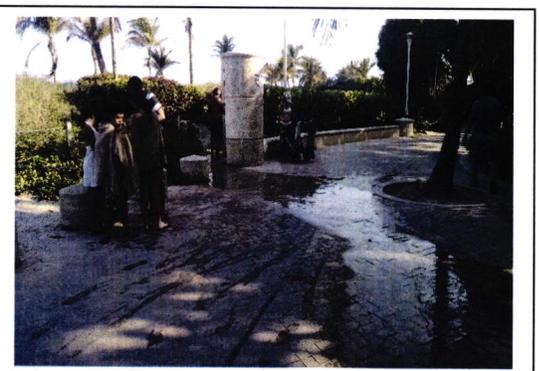

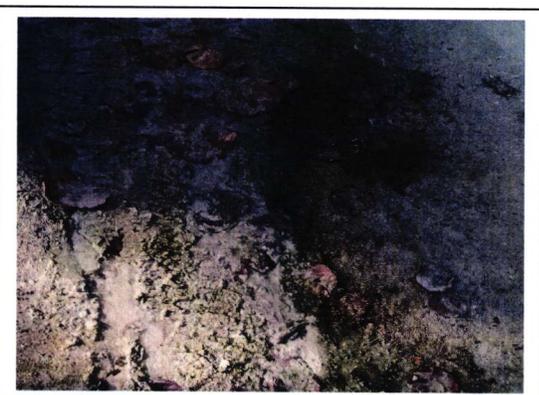

2: What can be done to provide better drainage of the showers? The water run-off is a safety and health. There are numerous locations along the beach walk where the water accumulates that result in the formation of algae and slime.

Please feel free to contact my Aide, Brett Cummins at x6437, if you have any questions.
