SOUTH BEACH

Protect your skin and valuables

Miami Beach does not want you to get burned at the beach! Safety is priority one and that includes keeping your valuables safe from thieves. Beach visitors can now utilize safety lock boxes available at select kiosk stands on Miami Beach. Don't get burned by bad guys or by the sun! Taking a few safety precautions can make a day at the beach fun and enjoyable and you don't have to get burned.

For more information on the South District, contact Neighborhood Resource Officer Deborah Martineau 305.673.7776 ext.3727 DeborahMartineau@miamibeachfl.gov

MID-BEACH

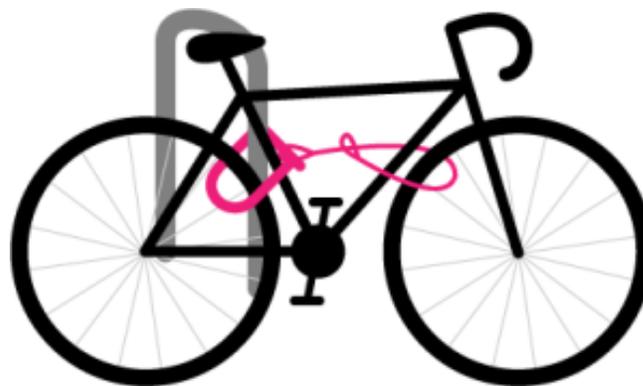

Do you know where not to ride your bike?

Miami Beach Police wants to remind residents and tourists alike that bicycles are prohibited from any portion of the wooden boardwalk in Mid-Beach. Please use Collins Avenue to cycle through this portion of Miami Beach.

Lock your bike properly

Remember to properly lock your bicycle when unattended, this includes within your property. Don't give thieves a chance to come into your yard and steal a bike.

For more information on Mid-Beach, contact Neighborhood Resource Officer Ernesto Rodriguez at 305.673.7776 ext.3782 ErnestoRodriguez@miamibeachfl.gov

NORTH BEACH

Neighborhood Slow Zones

Captain Henry Doce needs you to remind your neighbors to slow down when driving through the neighborhood. Often times when enforcement is conducted many of the violators are neighborhood residents. Slow down around schools, parks and other areas where children, families and pets travel.

MBPD goes to the fair

MBPD was thrilled to stop by the Biscayne Elementary School Transportation Fair. We showed the students the many different ways an officer gets around, such as, police bikes, golf carts and even K-9's. Kids were smiling and that made us smile!
