STYLE

# Clothes for Wheel People

By **NANCY STEDMAN**

Daily News Assistant Features Editor

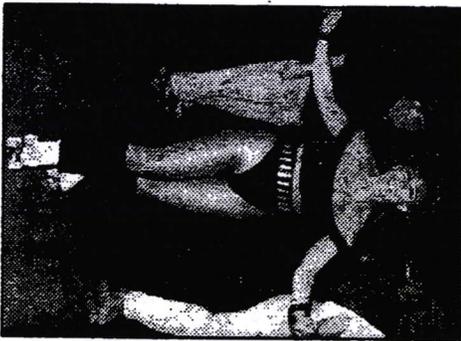

**F**orget about grace, or its lack — the key to standing out on a roller rink is the right outfit.

You basically have two options when you're spinning your wheels, says Christopher Bossey, a rink guard at the Roxy, which on Wednesday nights becomes Manhattan's only indoor roller-skating spot. You can go the loose, baggy and comfy route. Or you can find something tight and stretchy, "if you have the body for it," Bossey advises.

"Loose" generally means oversized shirts, baggy shorts or roomy pants, but in the case of Beth Emerson (ctr.), a singer and songwriter, it means a short skirt made from a vintage dress. She tops it with a cropped shirt, tied at the waist, of antique chiffon. "This is my red, white and blue outfit," she says. "I wear it because I'm patriotic."

Lycra-blend exercise clothes are tops with skaters who are willing — and eager, perhaps? — to show off their bods.

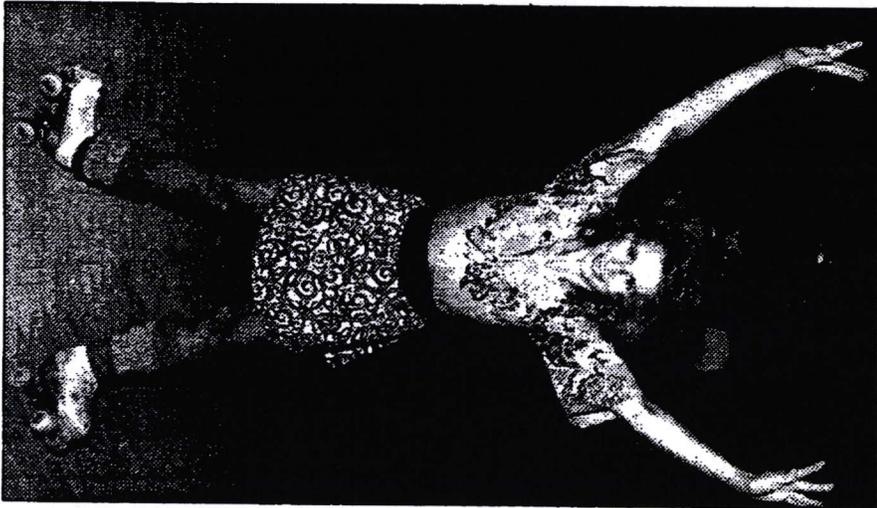

New Yorker Betty Barrow (far r.) wears a one-piece

black-and-white bike suit partly because it motivates "me to stay fit," she says.

Rachel Montana, a legal secretary, who was recently outfitted in a black cropped, off-the-shoulder top and a small brief, contends: "You can only dress like this if you skate good."

Both Barrow and Montana jazz up their attire with accessories — black-and-white earrings, in Barrow's case, and an entire collection (a metal belt, star-shaped earrings, bangle bracelets and leg warmers) for Montana.

**AT THE ROXY**, skaters Rachel Montana (top l.) and Betty Barrow (r.) show their winning form in Lycra outfits. On Beth Emerson (above), old is new again.

Roller Skaters Revel in a New Rink in the City

Joshua Lott for The New York Times

Lola Staar's Dreamland is in the landmark Childs Restaurant building in Coney Island.

By DANA BRYKLEY Published: August 17, 2008

The skies over Coney Island put on a spectacular show on Saturday evening, with the sunset casting violet hues and a fat yellow moon disappearing and reappearing through clouds.

Joshua Lott for The New York Times Roller skaters at Dreamland's "Purple Rain" theme party. Skaters were barred when the Roxy and Empire rinks closed in 2007.

But for a row of spectators lined up along a lonely section of the Boardwalk, the real entertainment was happening opposite the beach, inside an ornate yet decrepit building. There, under disco lights and mirror balls, and displaying varying degrees of agility, roller skaters were circling, circling around a makeshift rink that offered a taste of the glory years of indoor roller-skating in New York City.

"Skaters have been so horribly sad, being orphans," said Beth Emerson, who was one of the original roller-skate dancers at the Roxy, the beloved nightclub in Manhattan and one of two popular roller rinks to close in the city in 2007. "Now, we're not going to be orphans anymore."

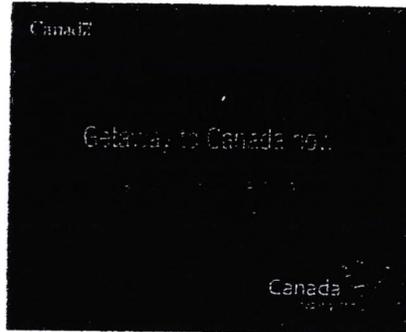

The site of Saturday night's roller-skating was Lola Staar's Dreamland, the brainchild of Dianna Carlin, an entrepreneur who runs a tiny and bustling souvenir shop on Coney Island's Boardwalk. Lola Staar is Ms. Carlin's alter ego, and this year Ms. Carlin's dream came true when she won a contest sponsored by Glamour magazine and the designer ... that helped her open a roller rink in Coney Island. Ms. Carlin is also the founder of the Save Coney Island organization, formed to stave off overdevelopment, and

## Beth Emerson/Areas of Life

The Following are “Areas of Life” in which I have worked:

I know “something about” how things work in each of these Areas of Life, some of which I am more versed in than others.

### TECH:

#### **Motion Pictures**

**Editing**

**Acting**

**Writing**

**PA**

**Assist. Prod.**

**Assist. Dir.**

**Distribution**

**Documentary Feature**

**DocuDrama**

**Short Form Documentaries (15 to 60 Min.)**

**Industrials**

**Commercials (15, 30, 60, 90 sec. Spots)**

**TV (Big Blue Marble, ground breaking Children’s Tv,**

**CBS Sports Spectacular, Love’s The Only Way, etc.**

**Political TV Ad Campaign for Cal Gubernatorial Candidate.**

**TV My show Love’s The Only Way which I wrote, hosted, Sang on, produced, and “directed” was a pioneer, And made TV Cable History in 1981 (predated MTV etc)**

## **Advertising**

**Administration**

**Reception**

**Librarian**

**Asist to Owner (wrote all checks, supervised Admin during vacations.)Same firm offered me Copywriting job.**

**Market Research/Media Buying etc. etc.**

**Coordinated with Copy & Art Direction on various Production Coordinator (various Indie projects)**

## **Retail & Sales**

**I have also worked in Retail (starting at Sachs Fifth Avenue when still in High School), at Vidal Sassoon, in Fashion, in Art, etc.**

**Have had a great deal of Public Contact working on films, in Hospitality, on Events, in Retail, and in Outside Sales (going door to door to Retail for a Start-up).**

## **Art & Design**

**I have always been a “doodler”, especially after stopping editing of film (so many “images” to process), and that is how I began making Collage Art which I am also known for.**

## **Music & Entertainment**

**Since Songwriting and Skating monopolized my time and Energy, I have had a spotted “career”, and have perhaps taken the path (Singing more publicly) that I have since taken more later (started singing on tv at age 6.... Am a Late Bloomer).**

## **Community Participation**

**I have always been active in the Community I am in, whether it is in my few blocks (“hood”) such as 73<sup>rd</sup> & Madison Ave, NYC where I was based for 23 years, or other. That is how I became one of the Original Skaters in our Pop Idiom in 1980 when it burst forth, and I had the good fortune of living a stone’s throw from the Skate Circle in Central Park (hence, one of the “founding mommies” of the Culture!**

**Have begun Community Service in High School where my good grades got me out of school to do other things (help at a Community Center at the Projects where kids had no one home after school), go to Museums to do research for Theatrical Productions, shop for fabric for costumes on the Lower East Side, etc. It is thus that I learned to be Resourceful.**

**It is my desire to stay involved in Community Affairs here on Miami Beach while I am residing here. I bring experience and skills that are rarely found here in the fabric of this wonderful new “City”.**

**From what I hear, Miami Beach may be 100 years old, but is really only about 15 in its present “incarnation”. I believe its true “Magic” is its lazy, small town, aspect.**

**It has already been built to the sky along the Ocean and Bay (east and west boundaries). Let’s be mindful of what we wish for, as not every place has the same purpose in Nature’s Grand Scheme of Things. The planet is frenetic enough already.**

**If it ain’t broke, why fix it?**

## **Beth Emerson/Overview**

**I have always been a member of the World Cultural Community. In addition to the work I have done in Creative: Singing, Songwriting, Roller dancing, Film Editing, Film & TV Production, Acting, Screenwriting, Collage, Crafts (Knit, Sew, Crochet, Weave, Woodworking, etc. etc.) Piano, Composition, and Working as tech/"crew" on many productions, Events, and Films, I have worked briefly (long enough to learn a few things) in the following:**

Real Estate (Mortgages for Banks: Greenpoint, Dime, etc.)**

### **Finance – Investment Banking: with Principles (Mr. Gutfriend & Salomon e.g.)**

**Salomon Brothers (Real Estate Finance, Municipal Finance, Conference Planning, Legal (Lease/Purchase for huge orders of equipment etc.), "Technology" (Manuals, etc)  
Mitsui Real Estate Sales (owned the Exxon Building and almost Every Golf Course in USA c.1987)  
Bear Stearns – I worked on the Trump Deal for 59<sup>th</sup> & Columbus Circle which was blocked by irate Residents (sound familiar? #54) because it would cast a huge shadow on Central Park. Trump's Deal was blocked, but years later (early 2000s) Time Warner Building was built by another Developer. It was An inevitability, just like one more "High Rise" on O.T.**

**Citicorp – Now Citigroup – in: Real Estate Finance =  
Worked with Computer Programmer (early days of  
computers) to input Lists of sources for R.E.  
Financing: Japanese Banks, Savings & Loans, Pension

**Film Distribution: (See attached for Production & Post Production)**

**Twentieth Century Fox Annual Marketing Exhibition.  
I was Production Manager – Liason between the Studio  
And their Archives of Stills, and the Entire Production  
Crew at ABC Century City where ALL the Motion  
Picture Distributors (all major chains and smaller ones  
Too) convened for a 5 day Conference re: All New  
Releases.**

**My work resulted in Huge “Flats” about twenty feet high with  
Stills (some chosen by me – Film Editor for over 12 years  
At this point in time) which were like huge Art Sculptures  
In the Exhibition Halls. It was a huge Success!**

**MGM/Licensing:**

**Worked in Merchandising & Licensing.  
Also worked on the Launch of Rocky V**

**Film Editing (see attached partial resume): I have worked both in  
Dramatic Feature and Shorts as well as Documentary, Industrial  
Films, Commercial and Experimental (“Underground” films).**

**I had made Editor on both coasts (NY Local 771 and LA Local 776) by  
the time I dropped out to focus on Music (Songwriting in particular),  
my first and lifelong Love!**

**Retail & Sales:**

**I have worked at Sachs Fifth Avenue while still in school. They  
Offered me a job straight out of High School. I had already  
Worked in Small Leather Goods and for the President when  
His Secretary left for vacation. He had requested my help!**

**Have had other Sales & Retail jobs from time to time (Cold calling on Retailers for a Start-up, , Booking Sponsors for Tennis Tournament, Food & Beverage, Art/Antiquities Gallery (79<sup>th</sup> & Madison), Vidal Sassoon (Hair Care), Selling One of a Kind & Limited Edition Art Deco (Jewelry, clothing all hand made by B.E. small time sales.... Trendsetting, Groundbreaking Designs.... Starter of "fads!**

### **Advertising:**

**I worked one Summer in a major ad agency, Richard K. Manoff, Clients were Welch's Grape Jelly, Bumble Bee Tuna (like that!) I did: Reception, Library, Marketing, Media Buying (buying tv Spots), and worked closely with everyone, Art Direction, Copy Writing, Talent & Casting, etc. I was just going into Senior Year Of High School, and it gave me a great foundation in Reality!**

**Later I worked at another agency on a temporary assignment for The Creative Director. He found me writing a 40 page Treatment For a Screenplay I was co-writing at the time, asked if he could Read it and offered me a 90,000 dollar Copy Writing Job Which I had to decline. I have always needed to go back into my "creative space" which means not having imposed schedule. I respectfully declined a generous and fabulous offer.**

**It should be noted that the driving force in my Life is Music and my love of Music. Once I had written over 50 songs (1980) I knew that I had to let that guide me in major decisions. I have now written many many songs as well as films, how to manuals, etc. and am content!**

**I do not feel driven to write anymore than I already have, although I am not blocking anything either. I am ready to share the totality of my experience by continuing to participate in Community Affairs, sharing my gifts and talents, ideas and "vision" in the hopes I may help to maintain a balance between Prosperity & Purpose, v. Vision, Wisdom and "Aliveness". The latter always involves People, their creativity, gifts, knowledge, humour, ideas and areas of "Mastery" plus OUR willingness to come together, allow "groups" "teams" "committees" "blue ribbon panels", "task forces" and just plain "friends & associates**

**and SHARE, CARE and support each other's "purpose" in Life instead of "tearing down, sabotaging, or defaming, demeaning, destroying, and all that "toxic", "dysfunctional" unnecessary activity and energy expenditure.**

**As Abraham once said: "A House divided against itself cannot stand" and as "Luther once said" "A House is not a 'Home'.... When there's noone living there"**

**We can Bulid... then we must "activate" (bring Life/People in), then we must "Promote" and THEN they will come and come back again and again, happy as can be.**

**We are in this together.**

**For that reason, I offer myself up to the above referenced Committees.**

**In addition, I am already "involved" with Parks & Rec, as the President and CEO of Miami Beach Dance Skaters, Inc., whose first EVER Roll-or-Dance Night was a huge Success even though it was almost rained out.**

**This "Overview" is by way of introducing myself to those of you who are working at City Hall, and may have a "subjective view" of yours truly, as I have brief interaction with you at Meetings.**

**I have spent my life (since 1980 when EVERYTHING changed) since my first 50 Songs manifested (by the end of 1980, also the first y**

**I have always been someone who gives 100% when and wherever I am involved.**

**For that Reason, I am applying for three Committees here on Miami Beach:**

**Budget Advisory - The culture of paying 4 x what things cost  
in the Private Sector must end!**

**Transportation & Parking: I am already active in these  
Matters, have attended several meetings of  
Parking & Transpo, and bring a lifetime of  
Walking miles and miles always, and over 30 years  
of driving in NYC and across the USA & in Cal.  
In NYC, plus a lifetime of taking buses and  
Trains in NYC – plus over 30 years of  
Hard core Skating (Rollerskating including  
Street Skating, including three parades and  
Thousands of hours with wheels on my feet  
everywhere!!! (how I became “Rollergirl”)**

**Cultural Affairs - The attached Resumes speak for themselves**

**It never was my intention to wind up with  
Such a “Potpourri” of Experience. As is  
Said, “Life is what happens while we are  
Busy making other plans”!**

**I am already part of the Consciousness a Miami Beach that is whole and  
not fragmented. That does not mean that every corner of the Beach is  
“equal” to every other.**

**It is the Diversity, beauty, and Water that infuses every part of Miami  
Beach which attracts Tourists and New Residents from all over the  
world, not to mention the beautiful Climate. To sustain Community we  
need “activities” and to manage our resources (natural & \$\$s).**

**I KNOW we have the Revenue Stream to manage ALL our NEEDS  
here on Miami Beach.**

**Perhaps a good Overview, and Restructuring of Priorities that is realistic  
in the Times and World Market we all inhabit at Present.**

**I did all the Bookkeeping at Mitsui Real Estate Sales, and have worked at WR Grace both in Restaurant Group & Marketing.**

**Worked on Budget for a huge Film Studio Development Project for Yugoslavia (hundreds of millions). It did not happen but the Budget did.**

**Have also worked with Film Budgets.**

**When it comes to Money, Spending, Budgets, and Accountability, Governments have latitude that the Private Sector does not have to overspend and still “stay in business”. I feel that needs to change both in the Fed and at the Local Levels if we want this Country (City and neighborhoods) to thrive and for its people to enjoy the Quality of Life they deserve (if they are willing to participate) in this Modern Age.**

**Thanks for letting me share. I look forward to continue bringing my experience, “vision” and “wisdom” into the mix here in Miami Beach.**

**Thank you for Community,**

**Beth Emerson**
