

# MIAMI BEACH

OFFICE OF THE CITY MANAGER

NO. LTC # **163-2016**

LETTER TO COMMISSION

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy L. Morales, City Manager

DATE: April 14, 2016

SUBJECT: **Community Meeting to Discuss Parkview Island Park Future Playground & Fitness Circuit Design Updates**

On Tuesday, April 26, 2016 at 6:00 p.m., at North Shore Park Youth Center, the Parks and Recreation Department will be hosting a second community meeting to present the updated plans for the future playground and fitness circuit at Parkview Island Park.

In 2013, Parkview Island community leaders met with City representatives on several occasions on ideas to improve the Parkview Island area. Among these improvements, a children's playground and other furnishings for the park were suggested, and through the capital budget process was funded this year. The proposed installation of the playground and fitness circuit will add a recreation element to the small neighborhood park.

On February 2, 2016, the Parks and Recreation Department held its first community meeting for this project. Resident input was gathered and implemented into the plan. Staff will be presenting the updated plans before finalizing the project and starting construction.

Should you have additional questions, please contact John Rebar at (305) 673-7730.
