SUBJECT: Sustainability Committee Motion

Dear Mayor and Honorable City Commission:

The Sustainability Committee met on September 27, 2016, and passed the below motions regarding intentional releases of balloons and sky lanterns and implementation of dedicated cigarette butt ashcans throughout the City:

The Sustainability Committee recommends the Sustainability and Resiliency Committee support an ordinance prohibiting the intentional release of balloons and sky lanterns outdoors in parks, recreational facilities, public and private properties.

The Sustainability Committee recommends the Sustainability and Resiliency Committee encourage the implementation of dedicated cigarette butt ashcans throughout the City in order to reduce cigarette butt litter.

As an Advisory Committee, we sincerely ask that consideration be given to the above motion.

Sincerely,

A handwritten signature in black ink, appearing to read "David Doeblar".
