Motion Text:

The Committee for Quality Education requests the Miami Beach Mayor and Commission support Miami-Dade County Public Schools in their effort to have the principals of each Miami Beach feeder pattern school notify parents, in conjunction with their Parent Teacher Student Association (PTSA), to update primary contact phone numbers in order to receive emergency messages via text in a timely manner. Furthermore, to bifurcate emergency information versus social updates.

The Committee for Quality Education urges the Mayor and Commission to support the above request.
