REGULAR AGENDA

R-1 Deferred Items – (None)

A. Sugarman & Susskind demand letter Re: Amada Gonzalez – There was no new information at this time.

R-2 New Items –

A. Forfeiture Hearing for Manuel Perez –

Counsel Stuart Kaufman walked the Trustees over the definition of Florida State Statute 112.3173 Forfeiture of Benefits. He said that Mr. Manuel Perez, present today, had been an employee of the City of Miami Beach, was convicted of a specified offense and entered into a plea agreement pleading guilty to the specified offense of grand theft of the second degree. Mr. Kaufman stated that once the Board was notified of the conviction, a notice of proposed action to forfeit benefit had been sent to Mr. Perez. He said that Mr. Perez retained Mr. Cohen's services and then filed a petition to request a hearing set for today.

Mr. Kaufman stated that the Board would be determining whether the facts and circumstances of this conviction constitute a crime or specified offense for which the Board must forfeit his benefits. He said that there would be no witnesses, no testimony, no opening statements only that the Board will hear closing arguments from Mr. Herrera followed by Mr. Cohen and then Mr. Herrera will be allowed a rebuttal. The Board will then enter into deliberation and a motion will made to either to forfeit or not forfeit Mr. Perez's benefit.

Mr. Pedro Herrera, acting as Special Counsel on behalf of the Board, advocating for the enforcement of the requirement of State Statute forfeiting a public pension upon certain conditions being met went over the following Stipulating Facts:

1) **Mr. Perez was an employee of the City of Miami Beach**
2) **Mr. Perez committed specified offenses, felonies as specified in Florida State Statute 112.3173, while he was a public employee**
3) **Mr. Perez was convicted of those specified offenses, one count of grand theft in the third degree and two counts of giving false verification of ownership which is also a third degree felon**
4) **The count of grand theft was from his employer, the City of Miami Beach**
5) **Review of the potential forfeiture of the public pension is entitled**

Mr. Herrera commenced his closing argument: stating the forfeiture is a Constitutional Mandate, later implemented through state statute Chapter 112 Section 112.3173; that the constitution calls this a public office and a public trust and in violation of that public trust there should be recourse, to forfeit public pension if certain criteria is met. Mr. Herrera described Mr. Perez's specific criminal act in detail.

Mr. Herrera said that there are two specified offenses which qualify and would trigger the forfeiture of a public pension; sub-section 2E2 as well as sub-section 2E6. Sub-section three also provides for the actual act of FORFEITURE - Any public officer or employee who is convicted of a specified offense committed prior to retirement, or whose office or employment is terminated by reason of his or her admitted commission, aid, or abetment of a specified offense, SHALL forfeit all rights and benefits under any public retirement system of which he or she is a member, except for the return of his or her accumulated contributions as of the date of termination.

Mr. Herrera said that unfortunately the Board had no discretion and must forfeit Mr. Perez's retirement benefit if all parameters for forfeiture were met. He said that the courts are very specific in interpreting the statute in the way that he is asking the Board to find as well, as trustees, as fiduciaries, his role to provide the Board with sufficient substantial confident evidence to forfeit a public pension in compliance with the state statute.

Mr. Cohen commenced his closing argument. He said that when the police went to Mr. Perez's house early in the morning to arrest him he immediately admitted guilt and did not call a lawyer or plead the Fifth Amendment. Mr. Cohen stated that he was here to ask the Board for compassion and mercy which he is convinced the Board has the right to do. He is asking the Board to mitigate the punishment, to lower the punishment so Mr. Perez doesn't forfeit his entire pension. He provided some history on Mr. Perez, that he was a good employee and went badly astray, he committed a crime and when he got caught, he apologized, and he admitted guilt.

Mr. Cohen brought up case law from 1968 in which the Florida Supreme Court said the word 'shall' is sometimes construed as meaning 'may' – there is plenty of case law the use of the word "shall" means "may." It is up to the judging jury to determine when the word shall means may.

It was determined during subsequent statements between parties, that case Mr. Cohen cited do not pertain to the same or similar type offenses or crimes committed by Mr. Perez.

Several questions ensued from the Board members for Mr. Herrera, Mr. Cohen, Mr. Kaufman, Mr. Perez and the Pension Administrator.

Mr. Herrera commenced his rebuttal: he wants to emphasize the forfeiture statute is not a punishment, the pension is a contract, when an employee is hired by the City of Miami Beach, the employee is agreeing to abide by certain rules and regulations of the City of Miami Beach, follow certain rules and regulations set by the statute, if you follow these rules at the end of your career, you are going to get this pension. As trustees and fiduciaries of this plan, the first requirement is to the participants and beneficiaries of this plan and one of the obligations is to follow the state statutes, which specifically apply to this Board and this pension fund and its members, Chapter 112.3173, it does not give the Board any type of discretion.

A motion for "Forfeiture" was made by Mr. Taxis and duly seconded by Lynn Bernstein, opening the item for discussion and deliberation by the Board.

The deliberation ensued by the Board of Trustees. During the deliberation, the Board's legal counsel was asked to provide his professional opinion regarding the word "shall"; Mr. Kaufman stated in this context the word "shall" should not be interchanged with "may." After the discussion the Chairman of the Board called row so each Trustee may provide their motion:

Ms. Bernstein's motion to forfeit Manuel Perez's lifetime retirement was seconded by Mr. Taxis, and with

Ms. Bernstein, Mr. Casanova, Mr. Taxis, Mr. Del Risco, Mr. Villar and Mr. Boyd in favor, Mr. Horday against and Mr. Sinkes abstaining it was

RESOLVED **that Mr. Manuel Perez's lifetime retirement benefit be forfeited due to him being convicted of committing a specified offense in violation of Florida Statutes chapter 112.3173.**

Legal counsel, Mr. Kaufman stated the Final Order will be entered and it is subject to appeal within 30 days by filing a Notice of Appeal with the Third Judiciary Court of Appeal, Mr. Kaufman will have the Final Administrative Order for the Board's review and entry at the next Board meeting.

R-3 Administrator's Report

A. Administrator's Report – The Administrator provided the Board a tentative schedule for the Fund's external auditor and actuary to report before the Board.

The Board heard Ms. Marla Alpizar and Mr. Frank Estevez from the Human Resources department (H.R.) regarding the concept of hiring a full time H.R. Employee to work solely on the Insurance benefits of the General & Unclassified Retirees and the Fire & Police Retirees. Ms. Alpizar stated that the dedicated employee's salary would be split by both pension plans. She requested that this idea be placed on next month's board agenda for presentation and consideration. The Administrator said that he would place this item on next month's Regular Board agenda.

R-4 Investment Reports

A. Fund Consultant's Report – Mr. Bill Cottle, Mr. Steven Cottle and Mr. Nipp went over the analysis of changes and market value of assets in detail on page 10 of the quarterly report. He said that the Fund's three (3) month investment return was 3.7% as of December 31, 2017. He said that the Fund's fiscal year-to-date & one (1) year performance was 16.6%. Mr. Cottle reviewed the actual asset allocation, investment manager performance and total fund risk/reward versus the Universe from the Milliman quarterly report.

B. Investment manager's report – Ms. Mariko Boswell from PIMCO reviewed PIMCO's quarterly investment manager report.

R-5 For Your Information

Chairman Boyd and Mr. Kaufman reviewed for your information.

There being no further business to discuss, a motion was made by Ms. Bernstein duly seconded by Mr. Villar and unanimously

Resolved that the meeting be adjourned. The meeting was adjourned at 12:54 p.m.

James W. Boyd, Chairman **Jose Del Risco, Secretary**

MEMORANDUM

TO: Miami Beach Employees Retirement Plan Board of Trustees

FROM: Michael Smith, Human Resources Director

DATE: March 7, 2018

SUBJECT: **REQUEST FOR 50 PERCENT ANNUAL FUNDING OF AN HR SPECIALIST IN THE EMPLOYEE BENEFITS DIVISION OF THE HUMAN RESOURCES DEPARTMENT.**

As discussed at the February 6, 2018 Miami Beach Employees Retirement Plan board meeting, the Human Resources Department would like to enhance its ability to provide high quality customer service to retirees. In order to satisfy this objective, it would be essential to add an HR Specialist to the Employee Benefits team whose sole focus would be retiree customer service as well as all duties which are associated with the administration of benefits for current and future retirees. Here are some important facts underpinning this request:

- The Employee Benefits staff supports the needs of 2,269 active employees, 1,073 retirees of the Miami Beach Employees Retirement Plan and 656 retirees of the City Pension Fund for Firefighters and Police Officers.
- The work of supporting the growing number of retirees has, in recent years, exceeded the staffing level of the current Employee Benefits team. The staff is made up of four (4) employees: an Employee Benefits Manager, two (2) HR Specialists and an Office Associate.
- The Employee Benefits staff provides assistance for a large variety of benefits including:

Three (3) health plans	Roth 457b retirement plan
Two (2) dental plans	IRA
Three (3) life insurance plans	Health Savings Account
Two (2) disability plans	Prepaid Legal Plan
Five (5) Colonial Life ancillary plans	ID Theft Protection
Two (2) Flexible spending account plans	Pet Insurance Plan
Two (2) 457b retirement plans	BMG emergency loan program

- The Benefits team sponsors open enrollment and makes all required benefit changes during open enrollment as well as throughout the year when employees and retirees are newly eligible for benefits or they experience a qualifying life event. The team educates employees and retirees on many aspects of numerous benefits, answers questions, resolves problems, audits deductions, analyzes vendor performance, manages vendor contracts, remits and reconciles premium payments and is tasked with many other activities in support of providing a robust benefits package to the City's workforce and its retirees.

The annualized cost of this request is estimated between $92,438.83 and $101,682.72 with an estimated future increase of six (6) to ten (10) percent a year in salary and benefits. In this request, each pension board is being asked to consider a funding level of 50% for the total cost of employing this additional staff member. This represents a first year annual expense of between $46,219.42 and $50,841.36 for each pension board of trustees to consider for approval.

	Annual Salary	63% Estimation for Benefits	Total Est. Cost of Compensation	50% Cost for Each Pension Board
Bottom of Pay Scale:	$56,710.94	$35,727.89	$92,438.83	$46,219.42
10% Above the Bottom of the Pay Scale:	$62,382.03	$39,300.68	$101,682.72	$50,841.36

ATTACHMENT: List of duties for the proposed HR Specialist

Duties for HR Specialist

- Provide customer service assistance to retirees who have questions relating to:
  - Open enrollment.
  - A qualifying life event.
  - A coverage cancellation.
  - A change in their monthly health premium due to Medicare eligibility.
  - Establishing or terminating a domestic partnership.
- Complete retiree mailers for open enrollment, 1095-C's and other correspondence on an as needed basis.
- Complete updates to Munis deductions in response to requests made by retirees.
- Complete updates to coverage in response to requests made by retirees.
- Complete exit interviews for vested employees who are newly retiring in order to orient them on their retiree medical, dental and life insurance benefits.
- Contact vested retirees to orient them on their retiree medical, dental and life insurance benefits.
- Process monthly invoices via Munis accounts receivable for retirees who have elected a health plan whose premiums are greater than the retirees' monthly pension benefit.
- Process monthly retiree premium invoices to the FOP Health Trust, the IAFF Health Trust, Unum Life Insurance and Colonial Life.
- Prepare and maintain premium statements for the two pension offices.
- Assist employees of the pension offices with their employee benefits.
- Process the required documents to initiate life insurance claims for deceased retirees.
- Notify the City's COBRA administrator of former retiree dependents who need to be provided with COBRA notices.
- File and maintain beneficiary forms for retirees.
- Process pension code changes in response to updates in the employment status of City employees.
- Complete periodic audits to review the accuracy of retirement codes in the Munis payroll database.

Any member with five or more years of creditable service will be able to purchase up to two years of creditable service under the pension plan for certain types of employment prior to the employee's date of hire by the City, However, an employee may not purchase such service credit if the employee has received or will be receiving a pension benefit for the same period of employment under another retirement plan as required by state law (section 112.65, Florida State Statutes). Eligible prior service includes military service in the United States armed forces or Coast Guard, full-time employment with another governmental entity, or full-time employment in the private sector performing the same or very similar duties to those the employee is performing for the City at the time of their election to purchase additional service. Employees electing to purchase such service must pay 10% of their annual rate of pensionable earnings multiplied by the number of years and fractions of a year purchased.

CITY OF MIAMI BEACH EMPLOYEES' RETIREMENT PLAN

In re: ***FORFEITURE OF RETIREMENT BENEFITS OF MANUEL PEREZ***

_____/

FINAL ADMINISTRATIVE ORDER
FORFEITING RETIREMENT BENEFITS

This matter came before the Board of Trustees for hearing on February 6, 2018, as a result of Manuel Perez' ("Perez") conviction of One (1) count of Grand Theft, in violation of Florida Statute §812.014(2)(c); and Two (2) counts of Giving False Verification of Ownership to a Secondhand Dealer, in violation of Florida Statute §538.04(4)(a). On April 7, 2016, Perez entered a plea of guilty to the above criminal charges in front of the Circuit Court for the Eleventh Judicial District of Florida. Perez was present at the hearing and was represented by attorney Ronald Cohen, Esq. Special advocate Pedro Herrera, Esq. was also present at the hearing to argue why Perez' pension benefits are subject to forfeiture. For the reasons which follow, the Board of Trustees finds, as a matter of law, that Perez was convicted of a specified felony under Florida Statute §112.3173(2)(e)(2).

DUE PROCESS ISSUES

On or about July 11, 2017, Perez was served with a written Notice of Proposed Agency Action, and was offered a full and complete opportunity to request a hearing challenging the proposed action. On or about July 29, 2017, Perez filed a Petition with the Board of Trustees requesting an evidentiary hearing. This matter was then set for hearing for February 6, 2018. Accordingly, the Board of Trustees finds that Perez has been afforded due process.

FINDINGS OF FACT

On April 7, 2016, Perez entered a plea of guilty in front of the Circuit Court for the Eleventh Judicial Circuit of Florida to One (1) count of Grand Theft in violation of Florida Statute Section 812.014(2)(c); and Two (2) counts of Giving False Verification of Ownership to a Secondhand Dealer in violation of Florida Statute Section 538.04(4)(a). Perez, while working as a streetlight technician, regularly took copper wire and scrap metal from the city and sold it to a scrap metal business in Miami, making approximately $23,715.05 over the course of three years from selling the metal.

At the outset of the hearing, counsel stipulated to the following facts:

1. That Perez was employed by the City of Miami Beach at the time the underlying acts that gave rise to the plea agreement occurred;

2. That Perez plead guilty to One (1) count of Grand Theft in violation of Florida Statute Section 812.014(2)(c); and Two (2) counts of Giving False Verification of Ownership to a Secondhand Dealer in violation of Florida Statute Section 538.04(4)(a);

3. That the guilty plea constitutes a conviction as defined in Florida Statute Section 112.3173(2)(a); and

4. That the grand theft was from his employer and was therefore a specified offense as set forth in Florida Statute 112.3173(2)(e)(2).

LEGAL BASIS FOR THE DECISION

Article II, Section 8(d) of the Florida Constitution provides that a public officer or employee convicted of a felony involving a breach of public trust is subject to forfeiture of retirement benefits as provided by law. Following a finding by the Florida Supreme Court in *Williams v. Smith*, 360 So. 2d 417 (Fla. 1978), that these provisions in the Constitution are not self-implementing, the Legislature passed Section 112.3173, Florida Statutes, which defines the scope of the constitutional provision.

Section 112.3173 provides that a public officer or employee convicted of a "specified offense" forfeits all retirement benefits except the employee's own contributions. The term "specified offense" includes "the committing, aiding, or abetting of any theft by a public officer or employee from his or her employer."

See, Florida Statute §112.3173(2)(e)(2). The Board finds that Perez committed a specified offense. Florida Statute §112.3173(3) provides that "Any public officer who is convicted of a specified offense committed prior to retirement...shall forfeit all rights and benefits under any public retirement system of which he or she is a member, except for the return of his or her accumulated contributions as of the date of termination."

Counsel for Perez argued that the trustees had the authority to interpret the word "shall" as used in the forfeiture statute the same as the word "may," and that there is some discretion not to forfeit Perez' benefit, or to forfeit an amount less than the entire pension. The trustees reject these arguments. The plain meaning of the word "shall" implies something that is mandatory and not discretionary. Usage of the word in the forfeiture statute leads to the decision to forfeit a pension benefit upon the conviction of a specified offense. [See also, *In re Forfeiture of One (1) 1984 Ford Van*, 521 So.2d 244(1st DCA 1988)- Forfeiture provision in statute which used the word shall is mandatory rather than directory].

FINAL ORDER

WHEREFORE, based on the foregoing findings of fact and conclusions of law, the Board of Trustees of the City of Miami Beach Employees' Retirement Plan finds that Manuel Perez has been convicted of a specified offense as provided in Section 112.3173, Florida Statutes, and all right, title and interest in his account

with the City of Miami Beach Employees' Retirement Plan is hereby forfeited, except for a return of contributions.

DONE AND ORDERED at Miami Beach, Miami-Dade County, Florida, this 28th day of February, 2018.

Re: City of Miami Beach General Employees' Retirement System;
10/1/2016, 10/1/2015 and 10/1/2014 Actuarial Valuations

Dear Mr. Rivera:

This is to notify you that we have reviewed the above referenced actuarial reports for compliance with Part VII of Chapter 112, F.S. and Chapter 60T, F.A.C. Based upon the results of our review of these reports, we have determined the **Plan** to be **state accepted**. By this letter, **all reports and actuarial impact statements effective prior to the above valuation date and received** by the Division of Retirement may likewise be considered to be **state accepted**.

Our review relied upon the actuarial costs and asset amounts as determined by the Plan actuary in the above referenced actuarial reports. Although we reviewed the reports for compliance, consistency and reasonableness, we did not audit the asset or employee data information for accuracy. Accordingly, we express no opinion on the reasonableness of the estimates of the financial status of the Plan. An audit may or may not uncover material issues in the actuarial work performed.

Sincerely,

Joe Edmonds
