AUDIT: Waste Plus Inc. Roll-off Fee Revenues Audit
PERIOD: June 2015 to March 2018

This report is the result of a scheduled audit of the roll-off fees charged, collected and remitted by Waste Plus Inc. (Waste Plus). In addition, the auditee's compliance with selected provisions in the City Code concerning obtaining annual business tax receipts, filing required reports, etc. were also reviewed.

INTRODUCTION

A roll-off is defined as a container with a minimum capacity of ten cubic yards designed to be transported by a motorized vehicle. They are typically used for the purpose of removing construction debris, which include rock, metal and other materials used in connection with a construction project or for the removal of large quantities of trash and bulky waste.

Although it is a dynamic number, twenty-two companies currently possess business tax receipts authorizing them to operate roll-offs within the City's boundaries. They are required to abide by the terms outlined in the City Code which among other terms includes the remittance of 18% roll-off fees of the contractor's total applicable Miami Beach gross receipts with any fees deemed not paid subject to penalties of 10% per month up to a maximum of 50% plus interest of 1% per month. The term gross receipts mean the entire amount of the fees collected by the contractor (whether wholly or partially collected) for solid waste collection and disposal within the City and including, without limitation, but excluding any taxes, and gross receipts from servicing roll-off and portable containers.

Monthly reports are to be submitted to the City's Finance Department by the end of the subsequent month of the gross receipts generated during the previous month within the City. For example, October 2017's report was due by November 30, 2017; November 2017's report was due by December 31, 2017 and so on. In addition, the contractor is to deliver to the City's Finance Department a statement of annual gross receipts generated from accounts within the City for the preceding fiscal year, certified by an independent certified public accountant.

One of these authorized roll-off companies is Waste Plus Inc. which has been operating in the City of Miami Beach since February 2014.

BACKGROUND

Previously, the Office of Internal Audit conducted an audit of Waste Plus Inc. for period of February 2014 to May 2015. Our audit report dated June 4, 2015 resulted in an audit assessment of \$2,275.10 due to unreported gross receipts. The amount of \$1,791.00 for roll-off fees due was paid; however, the \$484.10 in interest and late fees has not been paid to date.

OVERALL OPINION

Historically the lack of non-filing of franchise returns has led to the discovery of not reporting revenues to the City. Therefore, we scheduled our audit to confirm whether this account is compliant. A review of the company's provided invoices plus received customer confirmation letters showed that franchise fees were properly charged, collected and remitted during the thirty-four (34) month audit period. The following table summarizes the audited gross receipts received from Miami Beach roll-off transactions during the stated periods:

	2015 Jun-Dec.	2016 Jan-Dec.	2017 Jan-Dec.	2018 Jan-Mar.	TOTAL
Audited Receipts	\$4,850.00	\$18,400.00	\$4,728.50	\$0.00	\$27,978.50
Roll-Off Fees Due (18%)	\$873.00	\$3,312.00	\$851.13	\$0.00	\$5,036.13

Waste Plus Inc. has generally complied with the provisions of the City Code's during the audit period. However, Waste Plus has not filed list of accounts upon renewal in accordance with City Code Section 90-278 (3).
