Dear Honorable Mayor and City Commission:

On February 12<sup>th</sup>, the Transportation, Parking & Bicycle-Pedestrian Facilities Committee (TPBPFC) met and unanimously passed the below motion regarding the window wrapping on the City's trolleys:

The TPBPFC asks that the side vehicle window wrap on trolleys, that contain no design, be removed for safety reasons.

As an advisory Committee, we would greatly appreciate your consideration on this motion.

Sincerely,

Transportation, Parking & Bicycle-Pedestrian Facilities Committee
