Dear Honorable Mayor and City Commission:

On June 12th, the Transportation, Parking & Bicycle-Pedestrian Facilities Committee (TPBPFC) met and passed the below motions:

Crosswalks

The TPBPFC recommends that the Mayor & Commission look at stretch between 30th & 38th for both Collins and Indian Creek Drive, to add crosswalks where possible for pedestrian safety.

Biscayne Beach Garage

The TPBPFC agrees that based on information furnished regarding a garage being built on Hawthorne at 81st Street with a \$70 charge to residents, will not be a good investment for the City or the residents and should not be built.

As an advisory Committee, we would greatly appreciate your consideration on these motions.

Sincerely,

Transportation, Parking & Bicycle-Pedestrian Facilities Committee
