### **Ribbon Cutting Ceremony to Inaugurate Middle Beach Recreational Corridor & Beachwalk**

— *Tuesday, December 18 at 4 p.m.* —

**WHO/WHAT:**

Join the City of Miami Beach in celebrating the completion of the Middle Beach Recreational Corridor and Beachwalk connecting 53 to 64 streets on **Tuesday, December 18 at 4 p.m.** The site-specific project marks a significant step toward completing the anticipated continuous pedestrian walkway set to connect South Pointe Park to 87 Terrace, the northern city limit.

Encouraging recreation through its design, the 6,000-linear foot pathway supports the use of alternative modes of transportation serving as an important function of the City's Transportation Master Plan as well as acting in accordance with both the American Disabilities Act and Florida Department of Environmental Protection. To also meet the Florida Fish and Wildlife Commission's marine turtle nesting requirements, the series of projects replaced exotic dune vegetation with native flora and a beach compatible dune fill.

Bolstering the ties that make up city life, the comprehensive beachwalk is expected to act as a main artery connecting residents and visitors to Miami Beach's public spaces.

**WHEN:**

**Tuesday, December 18 at 4 p.m.**

**WHERE:**

Allison Park  
6500 Collins Avenue
