Notice Date: February 13, 2020

### Project Overview and Benefits

On Monday, March 2, the City of Miami Beach will commence the Rue Vendome Plaza Project. Work includes raising Rue Vendome between Normandy Drive and 71 Street to create a paved public plaza at the elevation of the sidewalk. The Rue Vendome Plaza Project will create a public pedestrian area and encourage use as a venue for various gatherings.

### Scope of Work

- Raising Rue Vendome between Normandy Drive and 71 Street
- Creating a larger paved public plaza
- Removing raised landscaping area around fountain to create more pedestrian space
- Installing public use features including:
  - Decorative lighting around the fountain
  - Concrete support structures that will support additional lighting and future artistic installations
  - Concrete pavement and new pavers
  - Drainage improvements
  - Installing additional stone benches and upgrading existing benches
  - Trash and recycling receptacles
- Adjusting traffic signals
- Enhancing landscaping, including installing new irrigation and trees, as well as tree removals and relocations

### What to Expect

Work will be done in phases to minimize impacts to the adjacent businesses.

The project team will be coordinating closely with the Florida Department of Transportation's nearby work on Normandy Drive.

### Timeline

Construction will take approximately seven months to complete. Work hours are from 8 a.m. to 6 p.m., Monday through Friday.

Extended hours and weekend work days are subject to city approval and community notification.

Please note that this schedule could change due to inclement weather or unforeseen conditions.
