City of Miami Beach Amends Its Emergency Order
*– Limiting Use of Purdy Boat Ramp to Residents and Clarifying
Swimming Pool Openings –*

Miami Beach, FL – Today, the City of Miami Beach has amended its Emergency Order to limit the use of the Purdy Boat Ramp to Miami Beach residents only, and to clarify that the opening of swimming pools includes public/community pools.

The community pools at Flamingo Park and Normandy Isle are open from 7 a.m. to 8 p.m. daily for lap swimming only. Users are allowed 60 minutes with two swimmers per lane. The Scott Rakow Youth Center pool is temporarily closed due to an ongoing G.O. Bond construction improvement project.

Pursuant to Miami-Dade County Emergency Order 24-20, banquet facilities and other similar venues may open to the public, if operated at 50 percent capacity and subject to the guidelines for hotel convention and banquet facilities in County Emergency Order 23-20 and the New Normal handbook. Visit www.miamibeachfl.gov/reopening/banquet/ for details.

Beaches will remain closed until Miami-Dade County lifts its curfew and allows them to open. Read the City of Miami Beach's updated Emergency Measures here. For additional information on the city's reopening efforts, please visit www.miamibeachfl.gov/reopening.
