– Makes Clarification for those Businesses Establishments Subject to the Prohibition of Alcoholic Beverages –

Miami Beach, FL – The Interim City Manager has issued Amended Phase 3 Opening Order and Emergency Measures, effectively immediately, which clarifies those business establishments that are subject to the prohibition on the sale of alcoholic beverages (for off-premises consumption) by package liquor stores until 10 p.m. daily. Such package liquor stores include all retail stores, grocery stores, convenience stores, and gas stations, and this clarified Emergency Order is meant to specifically address the City's continued efforts to mitigate the spread of COVID-19 and its highly infectious variants.

Any violation of the provisions of this Order may subject an operator, business entity, or organization to the closure of the establishment for a period of at least 24 hours, or through the duration of the State of Emergency.
