

MIAMIBEACH RISING ABOVE

Indian Creek Drive Flooding Mitigation Phase III

Project Advisory - February 9, 2021

Project Overview and Benefits

This project delivers vital improvements to the Indian Creek Drive community by providing new sidewalks, a lighting system and a continuous delineated bicycle path. It will also address flooding within the neighborhood by installing a comprehensive stormwater drainage system, including a water treatment system and generator in case of a power outage. Additionally, the road and sidewalk will be rebuilt at a higher elevation to mitigate sea level rise.

What's Happening

For your safety, please do not enter work zones.

The following activities are scheduled along Indian Creek Drive:

- Beginning to install drainage along a section of 38 Street
- Installing a section of barrier wall on the west side of Indian Creek Drive at 39 Street
- Continuing to construct sections of curb and gutter
 - East side of Indian Creek Drive between 37 and 39 streets
 - Both sides of Indian Creek Drive north of 39 Street
 - Along a section of 40 Street

Harmonization work has been completed between north of 31 Street and 37 Street. Harmonization continues between 37 and 41 streets.

Please note, the project team is closely monitoring the situation surrounding COVID-19. The contractor is enforcing strict social distancing measures and employees are required to wear face covers while on site, including breaks.

Timeline

The project started in March 2020 and is anticipated to last two years. Construction work hours are weekdays from 8 a.m. to 6 p.m. Extended time is subject to city approval and community notification. Please note, this schedule could change due to weather or unforeseen circumstances.

What to Expect

- Moderate levels of construction noise is expected during the day
- Construction equipment, machinery and workers will be present at work zone

An advisory will be issued every two weeks or as changes in the work takes place.
