1S-2.032 Uniform Design for Election Ballots.

(1) Purpose. This rule prescribes a uniform ballot design for primary and general elections for each type of certified voting system.

(2) Definitions. For purposes of this rule:

(a) "Audio ballot" means an electronic voting device which audibly reads a ballot and permits the voter to select choices.

(b) "Contest title" means the office title for a race on the ballot in which candidates are seeking an elected office, e.g., "Attorney General" or "County Commissioner, District 2." It also includes the title for a public measure on the ballot, e.g., "Constitutional Amendment," "County Referendum," or "City Referendum."

(c) "Font size" means the size of the printed characters on the ballot. Font size is measured in millimeters (mm) and points. A point equals 0.353mm.

(d) "General election" refers to a general election as defined in section 97.021, F.S.

(e) "Hybrid voting system" means an electronic or electromechanical device by which a voter interacts with an electronic visual display to produce a paper output that contains the contest titles and the voter's selections, and may also contain, but not be limited to, a barcode or other machine-readable optical label containing the voter's selections.

(f) "Manual marking device" means a roller-ball pen, or felt pen, which leaves an identifiable ink mark on a paper ballot.

(g) "Paper ballot" means an election ballot made of paper to be tabulated by optical scan and for use by a voter to select choices on a vote target by using a manual marking device.

(h) "Primary election" refers to a primary election as defined in section 97.021, F.S.

(i) "Presidential Preference Primary" refers to a presidential preference primary election in section 103.101, F.S.

(j) "Visual display ballot" means an electronic display for a voter to select choices as shown on the display, which may be on a touchscreen device or a personal computer display.

(k) "Vote target" means an area on the ballot where the voter indicates his or her vote. The vote target shall be an oval.

(l) "Universal Primary Contest" refers to a contest in a primary election in which all candidates for an office have the same party affiliation and the winner of that contest will have no opposition in the general election. In a universal primary contest, all qualified electors may vote in the primary for that office, regardless of party affiliation.

(3) Ballot language.

(a) The official language for a ballot is English.

(b) Spanish language translations of the ballot will be made available in at least one of the forms provided for in section 97.021(5), F.S., and into other languages and forms when required by law or court order. This rule does not prohibit a supervisor of elections from translating the ballot into additional languages as he or she determines is necessary to accommodate the respective electorate.

(c) Languages shall appear on the ballot as follows:

1. Separate ballots for each language, except in counties subject to multi-language ballot requirements by section 101.151(8), F.S., and section 203 of the federal Voting Rights Act.

2. In counties subject to multi-language requirements, all languages on the same ballot, with English appearing first and Spanish appearing second, unless authorized pursuant to section 101.151(8), F.S., and section 203 of the federal Voting Rights Act.

3. Notwithstanding the requirements of subsection (3)(c)1., nothing prohibits a supervisor of elections from including all languages on the same ballot, with English appearing first and Spanish appearing second, as he or she determines is appropriate to accommodate the respective electorate.

(4) Ballot font, alignment, and columns.

(a) Font. The minimum and maximum font sizes for the different ballots are:

1. Paper ballots: The minimum font size is 10-point type (3.5mm), except the minimum font size for the ballot title is bold, 12-point type (4.2mm). The maximum font size for a paper ballot is 12-point type (4.2mm), except the maximum font size for the ballot title is bold, 14-point type (5 mm).

2. Visual display ballot: The minimum font size is 14-point type (5 mm) and the maximum font size is 24-point type (8.5 mm).

3. All fonts on a ballot shall be within the same sans-serif font family (a narrow version of the same font is considered within the same font family). Sans-serif font means a typeface that does not have small projecting features (serifs) at the end of characters. Recommended fonts are: Arial, Helvetica, Tahoma or Univers. All fonts shall be black. Colored text, however, may be used on the ballot to differentiate between precincts or ballot type (e.g., early voting, vote-by-mail ballot, or election day ballot); in the ballot footer to direct the voter to vote both sides of the ballot page as specified in paragraph (10)(g), below; and on a visual display ballot as specified in paragraph (11)(a), below.

4. Each category on a ballot shall have consistent font sizes; for example, if one candidate's name is in 10-point type, the names of all candidates on that ballot shall be in 10 point type.

5. Unless specified by this rule, the font shall not be in bold type.

6. A ballot shall not contain an ampersand, "&", in any of its titles or text.

7. The contest titles and ballot title for issues shall be in bold and in upper and lower case font. The ballot summary or, when applicable for a proposed constitutional amendment or revision, the financial impact statement, shall be in upper and lower case font followed by the choices of Yes and No.

8. The appropriate three-letter party affiliation or no party affiliation (NPA) for candidates shall be in all capital letters.

(b) Alignment. Unless otherwise indicated herein, all type on a ballot shall be aligned to the left of the page or column, as applicable. The ballot title and the ballot instructions may be centered or aligned to the left on the page or column. If the instructions appear in the leftmost column, there shall be no individual races below the column.

(c) Columns.

1. A paper ballot page shall contain no more than four columns.

2. A visual display ballot shall contain no more than two columns.

3. All candidates for the same race shall appear on the same page and in the same column on a paper ballot or entirely on one screen page of the default setting for a visual display ballot, except as otherwise specified within this rule. A voter may magnify the default setting of a visual display ballot so that all candidates in the same race may not appear on one screen page.

4. No issue or public measure choices of Yes and No shall be split between columns or pages.

5. No judicial merit selection and retention question on the ballot shall appear in more than one column, span more than one column, or extend onto another side or page of the ballot. However, each separate retention question relating to the same or different category of judicial retention may be split.

(5) Ballot Title. The ballot title shall be printed single-spaced, flush left or centered across the top of the first page of a paper ballot and on the first ballot screen of a visual display ballot. The date of the election within the ballot title shall list the full name of the month, the numeric day, and full numeric year (for example, November 3, 2020). The ballot title, in bold upper and lower case letters, shall be printed on the ballot for each election in no less than two and not more than four lines for each language in which the ballot is printed, for example:

<p>Official Special Primary Election Ballot</p> <p>(date of election)</p> <p>(Insert name of Party or insert Nonpartisan, as applicable)</p> <p>[Insert county name], Florida</p>

(6) Contest title. After the instructions, the title of each contest on the ballot shall appear either against no background or a lightly shaded background in bold, upper and lower case font. The contest title involving a public office shall appear as prescribed for office titles in section 101.151, F.S., *e.g.*, State Senator. Additionally, the contest title for a constitutional amendment shall read: No. ___ Constitutional Amendment, Article ___, Section ___.

1. In a contest in which one or more write-in candidates have qualified, the phrase "Write-in" or "Write-in Candidate" shall appear directly after the end of the list of candidate names printed or displayed on the ballot for that contest. A blank line shall be placed after or immediately over Write-in or Write-in Candidate, and a corresponding vote target shall be associated with the blank line. In a contest with joint candidacies, no second write-in line is required.

2. In a contest in which multiple candidates may be selected and more than one write-in candidate has qualified, the phrase "Write-in" or "Write-in Candidate" shall be added and a blank line for each number of selections, or for each number of qualified write-in candidates, whichever is less, shall appear on the ballot. The write-in option shall be added directly below the list of candidate names printed on the ballot for that contest and a corresponding vote target shall be associated with each blank line with the word Write-in (or the words Write-in Candidate) immediately preceding the blank line or over it. For example, when a contest is "Vote for up to 2," and three write-in candidates have qualified, the contest would reflect the phrase "Write-in" or "Write-in Candidate(s)" and have two blank lines placed after or immediately over the word Write-in or words Write-in Candidate(s) with a corresponding vote target associated with each blank line to ensure that voters could write in the names of two of the three qualified write-in candidates if they so choose.

(c) Party Affiliation.

1. In a general election, the appropriate three-letter abbreviation of a political party name or no party affiliation (NPA) in capital letters shall be included for each candidate or pair of candidates in a partisan contest. The party abbreviation shall appear on the same line to the right of the candidate's name or the first candidate's name of a paired or joint candidacy.

2. The party abbreviation placed on the ballot shall be the same abbreviation the Division of Elections assigns to the registered political party or as appears on the Division's official certification of candidates for the election. The party abbreviation shall not be enclosed in parentheses.

3. The party abbreviation shall not be included on primary election ballots, unless there is a Universal Primary Contest on one or more ballot styles in the county. In a Universal Primary Contest, the names of all candidates for all partisan offices, including candidates for the Universal Primary Contest, shall be displayed with an appropriate abbreviation of the party name.

When multiple ballot sheets exist, page numbers for each ballot page may be inserted for clarification. If page numbers are used, both the current page number and the total page count shall be provided and be located in the same place on each page; for example, Page 1 of 4, Page 3/4, 3 of 5, or similar notations.
