OFFICE OF THE CITY MANAGER

NO. LTC # **519-2021**

LETTER TO COMMISSION

To: Honorable Mayor Dan Gelber and Members of the City Commission

From: Alina T. Hudak, City Manager

Date: December 9, 2021

Subject: Prekindergarten Pilot Program Lottery Results and Next Steps

The purpose of this Letter to Commission is to update you on the status of the City of Miami Beach's Prekindergarten (PreK) Pilot Program for Miami Beach residents for the 2022-2023 school year, approved at the May 12, 2021 Commission meeting. The Prekindergarten Pilot Program will expand hourly access to high quality PreK providers by providing up to $2,700 to eligible Miami Beach families.

A computerized lottery was held on Thursday, December 9, 2021 to place all resident applicants in a numerical order for stipend receipt. Results from the lottery have been posted on the City's website including family name, confirmation number, and lottery number (Attachment A). There are **160 Miami Beach residents** who submitted applications to receive the PreK stipend of which approximately 92 will be selected. There are currently eighteen (18) Prekindergarten provider partners (Attachment B) who registered to join the City in its effort to expand access to quality early childhood education.

The PreK website located at www.miamibeachfl.gov/prek provides an overview of the program, lottery results, and provider information (Attachment C). Staff from the Office of Organizational Development Performance Initiatives (Education) will contact family applicants over the next several months in the order of selection by the computerized lottery process to verify residency and child age until all funds are exhausted.

Additionally, the administration held several informational sessions for interested Miami Beach families and PreK providers from September through December 2021. Miami Beach providers were also contacted directly to inform them of this opportunity.

We will continue to support our vision of being a prosperous city with a special flavor of arts, culture, education, and business with management objectives of being known for (K-12) educational excellence.

If you have any questions, please feel free to contact me or Dr. Leslie Rosenfeld, Chief Learning and Development Officer.
