## PRESS RELEASE

FOR IMMEDIATE RELEASE

April 27, 2018

### **Miami Beach Police Cracks Down** – *On Loud Music & Traffic Violations* –

**Miami Beach, FL** –This weekend, the Miami Beach Police Department will deploy teams of officers tasked with addressing quality of life issues, including noise, safety and traffic violations. This includes enforcing loud, amplified music and traffic related infractions associated with the improper use of electric/motorized vehicles.

“The goal is to increase public safety by continuing to enforce laws,” said Miami Beach Police Deputy Chief Rick Clements.

MBPD will be enforcing Miami-Dade County Ordinance SEC. 21-28, which cites unreasonably loud, excessive, unnecessary, or unusual noise. Violation of this ordinance, if not promptly remedied, may result in an arrest.

“We must protect residential quality of life, while maintaining the unique characteristics of our vibrant city, added City Manager Jimmy L. Morales. “Excessively loud music and vehicles operating unlawfully also seriously diminish the visitor experience and must stop.”

***MBPD Spokesperson Ernesto Rodriguez will be available for interviews at 10:30 a.m. today on this matter at Police Headquarters — 1100 Washington Avenue.***
