Join the City of Miami Beach as CityGrader Installs First Kiosk

-- Monday, October 15 at 11 a.m. --

WHO/WHAT: Encouraging residents to play a more active role in improving their community, the City of Miami Beach is partnering with CityGrader to make it easier for residents to share their comments, critiques and compliments directly with the City in a public forum.

By receiving reviews and feedback directly from the public, the web-based platform is dedicated to increasing the quality and accountability of local governments and their employees – allowing taxpayers to play a meaningful role in making positive change in the City of Miami Beach.

This Monday, CityGrader will install a temporary kiosk on the third floor of City Hall, just outside of Commission Chambers, for individuals to provide immediate feedback during their visit. The tool can also be easily accessed from any smartphone, tablet or computer.

The trial program comes at no cost to the City.

WHEN: **Monday, October 15, 2018 at 11 a.m.**

WHERE: **Miami Beach City Hall**
