Dear Honorable Mayor and City Commission:

On January 9th, the Transportation, Parking & Bicycle-Pedestrian Facilities Committee (TPBPFC) met and unanimously passed the below motion regarding the Bus survey to identify transportation needs of public school children within two-mile limit of home school:

The TPBPFC suggests, based on the interest from survey respondents, a pilot program at North Beach Elementary to start as soon as possible and allow for a full semester trial.

As an advisory Committee, we would greatly appreciate your consideration on these motions.

Sincerely,

Transportation, Parking & Bicycle-Pedestrian Facilities Committee
