Dear Honorable Mayor and City Commission:

On March 13th, the Transportation, Parking & Bicycle-Pedestrian Facilities Committee (TPBPFC) met and unanimously passed the below motions:

Bicycle/Pedestrian Safety

The TPBPFC recommends outlining bicycle laws in the MB Magazine – a full page in English/Spanish, emphasizing to pay attention as these laws will be enforced. Also, at intersections in bike lanes, place a bicycle specific stop sign in lane.

Safe Walking Zones

The TPBPFC recommends that in the spirit of the Miami Dade County Safe Streets Program, the City should require safe zones in all areas under construction so that pedestrians will have a safe route to walk when sidewalks are temporarily closed for construction purposes.

As an advisory Committee, we would greatly appreciate your consideration on these motions.

Sincerely,

Transportation, Parking & Bicycle-Pedestrian Facilities Committee
