To: Rafael Granado, Miami Beach City Clerk
Subject: Interest in the Group IV Commission Appointment

Dear Mr. Granado:

I've been involved in Miami Beach Community since my very first job in Miami Beach, which was to manage the Ronald Shane Watersports Center in 1993. Since center was partnership between City of Miami Beach and Ronald W. Shane I had a chance to work with City Official at all levels including the Mayor Gelber in creating many community and youth programs as well as programs for senior citizens. I continued working there till early 2000s.

Since then I opened my own companies in Miami Beach, one was multimedia and another one event company. I received the Key to The City and 5 Proclamations from different Mayors and Commissioners for our outstanding work in Miami Beach. We produced many City events, which gave me a great opportunity to work with Community, City Official and Miami Beach visitors.

One of the most important events I produced for the City was March of Our Lives where I closely worked with Special Events office, Commissioners and Mayor Gelber.

I also sit on Miami Beach Production Industry Council for last 3 years. I am also a FOUNDING MEMEBR of #plasticfreeMB.

My home is in Miami Beach for last 27 years, my kids are born and raised here, my office is here and I am not going anywhere. I've been Olympic rower and I was part of US coaching staff that won Olympics and World Championship. I was awarded US Citizenship for my Extraordinary Ability in field of Rowing. Last year I won Masters World Championship as rower. I still compete as Miami Beach Rowing Club.

Taking in consideration that I actively interacted with politics in Miami Beach for 27 years, I think I will be perfect candidate for the seat of Kristen Rosen Gonzalez to help make Miami Beach even better for residents and visitors.

Best regards

Aleksandar Stojanovic
