Dear Honorable Mayor and City Commission:

The Transportation, Parking and Bicycle-Pedestrian Facilities Committee (TPBPFC) met on Monday, December 10<sup>th</sup> and unanimously passed the below motions:

The Committee asks for the Parking and Transportation Departments to inform the Committee of assessing the current system and developing a citywide plan to manage the supply, operation, and demand of on-street truck loading and unloading while prioritizing the pedestrian's safety and experience.

When discussing the Alton Road/Chase Ave/34<sup>th</sup> ST Shared –Use Path Proposed Concept, the Committee supports Concept 4 of the project (from Alton to Prairie), to be done without hedges.

As an advisory Committee, we would greatly appreciate your consideration on these motions.

Sincerely,

Transportation, Parking & Bicycle-Pedestrian Facilities Committee
