Dear Honorable Mayor and City Commission:

The Transportation, Parking and Bicycle-Pedestrian Facilities Committee (TPBPFC) met on Monday, January 14th and unanimously passed the below motion:

The TPBPFC for the third time is asking that the Mayor & Commission look into the Belle Isle Loop being over serviced, and the reason why the Transit Alliance voted the City of Miami Beach a four (4) instead of a five (5). The Committee would like this reevaluated to add more service to the South Beach A & B loops which are under serviced.

As an advisory Committee, we would greatly appreciate your consideration on this very important motion.

Sincerely,

Transportation, Parking & Bicycle-Pedestrian Facilities Committee
