Dear Honorable Mayor and City Commission:

The Transportation, Parking and Bicycle-Pedestrian Facilities Committee met on Monday December 9<sup>th</sup>, 2019, and passed the below motions:

**Reducing South Beach Trolley Wait Time**

The Transportation, Parking and Bicycle-Pedestrian Facilities Committee supports staff's recommendation to reduce wait times for the South Beach Trolley service by reassigning the "Via 11<sup>th</sup> Street" trolley vehicles to Loops A and B, and eliminating Loop A service to Belle Isle, while keeping Loop B service to Belle Isle.

**17<sup>th</sup> ST – Complete Street Concepts**

The Transportation, Parking and Bicycle-Pedestrian Facilities Committee supports Option 3 – and recommend consideration adding additional bike racks, assuming project does not have sufficient bicycle facilities.

As an advisory Committee, we would greatly appreciate your consideration on the above motions.

Sincerely,

Transportation, Parking & Bicycle-Pedestrian Facilities Committee
