GENERAL REOPENING GUIDELINES*
*Items in bold are mandatory to all industries

I. Workforce Protection
   a. Facial coverings must be worn inside businesses and commercial establishments or wherever social distancing is not possible
   b. Do not allow employees who have flu like symptoms to report to work for 14 days after the onset symptoms
   c. Provide or coordinate safe transportation to work allowing for social distancing
   d. Allow for flexible schedules for childcare and sick time
   e. Staggered breaks to reduce large group gatherings
   f. Install hand sanitizer at entry points and through site

II. Employee Protection
   a. Enforce personal protective equipment (e.g., face masks, gloves)
   b. Ensure employees (and customers) stay more than 6 feet apart (use visual markers to help with implementation)
   c. Enhanced sanitization of all common areas / touch points (doors, stairwell handles, light switch, elevator switch, etc.)
   d. Procure increased amounts of soap, hand sanitizer, cleaning materials and protective equipment

III. Non-employee Protection
   a. Visually mark separation 6 ft. apart for areas where people would group (e.g., queues and elevators)
   b. Discourage entry to site of visitors and contractors, unless needed for operations
   c. Discourage car valet parking
   d. Set up self-checkout lines and contactless payments, as applicable

IV. Business Process Adaptations
   a. Upgrade/Install ventilation including HVAC filters per OSHA guidance
   b. Clean and disinfect bathrooms every two to three hours
   c. Eliminate the use of common water fountains and interactive displays
   d. Limit capacity of elevators to ensure social distancing
   e. Designate quarantine rooms for infected individuals and deep clean after use
   f. Require non-core functions to work from home, as possible
   g. Avoid meetings of more than 5 participants, encourage virtual meetings
   h. Reduce seating in breakrooms / common areas to ensure minimum 6’ physical distance. If not possible, close common areas
   i. Prior to re-open, flush plumbing and run water in sinks to eliminate stagnant water from the period of mall/store’s closure

Visit www.miamibeachfl.gov/reopening or call 305.604.CITY (2489) for more information
V. Employer-led Public Health Interventions
   a. Post CDC signage in publicly trafficked locations emphasizing measures to “Stop the Spread of Germs” and to exercise social responsibility
   b. Train all personnel in new operating protocols and modifications to existing codes of conduct to deal with COVID 19 issues
   c. Design work group shifts to minimize contacts between employees and ensure easier tracking and tracing, as possible
   d. Implement testing programs for high risk employees (e.g., frequent contact with customers or suppliers)

VI. Industry-wide Safeguards
   a. Acknowledge in writing the review and understanding of relevant industry association and union organizations guidelines, including capability checklists and reference to WHO, DOH and CDC guidelines
   b. Establish protocol to immediately disclose infection to state DOH bodies and procedure to safeguard store (e.g., deep cleaning)
   c. Setup clear reporting protocols based on leading (e.g., thermometer temp spikes, thermal scanning spikes, increased absenteeism) and lagging indicators (e.g., staff health visits above pre-defined rate, community spread in retailer locale)
   d. Post a contact email address and/or telephone number for employees /customers to contact if they have questions or concerns
   e. Any establishment that has an on-site employee or contractor who tests positive shall close for the shorter of:
      i. the time needed for all staff to be tested and the establishment to be deep-sanitized; or
      ii. 14 days from the date such employee or contractor was last onsite at such establishment.
   f. Where an establishment has multiple floors or structures, only those structures or floors where the infected person was present are required to be sanitized as a condition of re-opening, and only those employees working in such structures or on such floors must be tested.

Visit www.miamibeachfl.gov/reopening or call 305.604.CITY (2489) for more information
