City of Miami Beach Amends Emergency Order
– *Establishments that Fail to Comply Face 24-Hour Shutdown* –

Miami Beach, FL – Today, the City of Miami Beach has amended its [Emergency Measures](#) to include a new provision for establishments that fail to comply with the City’s Order and/or Miami-Dade County’s Emergency Order 23-20. The additional measure, which was added to be consistent with the County Order, allows for the City to immediately close an establishment they find violating Orders and businesses are only permitted to reopen upon:

1. Taking 24 hours to review and ensure compliance with the Emergency Orders, and taking all necessary measures to ensure full compliance with those requirements set forth; and
2. Executing an attestation — demonstrating that the establishment has ensured its compliance and has completed the necessary measures that must be taken for proper operation pursuant to the Orders. The executed attestation must be sent to the City and County.
