Dear MBERP member,

We sincerely hope this correspondence finds you well.

We are excited to share The Miami Beach Employees' Retirement Plan is transitioning and in the middle of a Pension Software conversion. Your February benefit was processed 'live' from Pension Pro; however, there are still various areas 'under construction' – such as the Self-Service Portal (SSP), where you have grown accustomed to view and/or print your monthly benefit information. MBERP will mail your Notice of Deposit (NOD) for the next few months. Once the SSP is available we will provide all the information you need to register and log in to view and/or print your monthly benefit information.

We hope this does not inconvenience you in any way, it is new and improved, we will provide you with updates as more services become available to you, like accessing your 1099R online, which by the way, 1099Rs for 2020 are in the mail.

Please be well, enjoy your retirement and stay healthy!

Thank you!
MBERP Staff
