

## **EVACUATION PLAN**

Please describe in full detail your evacuation plan in case of a natural disaster such as a hurricane. All your facilities and/or equipment must be off the beach and safely stored at a private, off-site location within one (1) hours' notice given by the City and /or within eight (8) hours of the issuance of a Hurricane Warning by the Miami-Dade County Office of Emergency Management. Identify the storage space, and its location, that you would use in this type of situation.
