ADMINISTRATION RECOMMENDATION

Adopt the Resolution.

STRATEGIC PLAN SUPPORTED

Organizational Innovation – Ensure strong fiscal stewardship

BACKGROUND

The budgets for the General Fund, Enterprise Funds, Internal Service Funds, and Special Revenue Funds for Fiscal Year 2022 were adopted by the Mayor and City Commission on September 30, 2021, through Resolution No. 2021-31872.

The First Amendment to the General Fund, Enterprise Funds, Internal Service Funds, and Special Revenue Funds budgets for FY 2022 was adopted by the Mayor and City Commission on October 13, 2021, through Resolution No. 2021-31894.

Section 166.241(4)(c), Florida Statutes, requires that a municipality's budget amendment must be adopted in the same manner as its original budget.

GENERAL FUND AMENDMENT

Based on the FY 2021 General Fund year-end projections, there are \$3.5 million of encumbrances in the General Fund for FY 2021 goods and/or services that were procured, but not received, that are recommended to be carried forward into the respective FY 2022 operating budgets.

Similarly, it is recommended that appropriations of \$5.2 million in the General Fund be carried forward into FY 2022 for projects that were originally budgeted in FY 2021 that have not been completed.

In addition, after accounting for the recommended carryforward encumbrances and appropriations from FY 2021 to FY 2022, the Administration is also recommending the following appropriations in FY 2022 based on the FY 2021 General Fund year-end projections:

- Ocean Drive Configuration Adaptation - Additional Security Services Identified by the Police Department to be needed at locations on 5th, 12th, and 14th Street – \$340,000
- Renovation of Donated Fire Boat – \$350,000
- Replacement of the Fire Department’s Self-Contained Breathing Apparatus equipment which will need to be replaced in FY 2023 (in addition to the \$450,000 included in the FY 2021 projections) – \$450,000
- Estimated Build-out and Lease costs to relocate Day Care Center currently at South Shore Community Center, subject to City Commission approval – \$1,636,000
- Additional Transfer to the Capital Pay-As-You-Go (PayGo) Fund for Capital Project Funding (i.e., 72nd Street Complex, Fire Station #1, etc.) – \$3,448,000

For details, refer to the accompanying agenda item “Adopting the Sixth Amendment to the General Fund, Enterprise Funds, Internal Service Funds, and Special Revenue Funds for FY 2021.”

ENTERPRISE, INTERNAL SERVICE, AND SPECIAL REVENUE FUNDS AMENDMENT

There are \$2.3 million of encumbrances in the Enterprise Funds, \$4.0 million in Internal Service Funds encumbrances, and \$1.4 million in Special Revenue Funds encumbrances (not including Resort Tax) for FY 2021 goods and/or services that were procured, but not received, that are recommended to be carried forward into the respective FY 2022 operating budgets.

It is also recommended that appropriations of \$8.5 million in the Enterprise Funds, \$3.1 million in the Internal Service Funds, and \$2.6 million in the Special Revenue Funds (not including Resort Tax) be carried forward into FY 2022 for projects originally budgeted in FY 2021 that have not been completed.

RESORT TAX FUND AMENDMENT

In addition, it is recommended that appropriations of \$106,000 in the Resort Tax Fund be carried forward into FY 2022 for projects that were originally budgeted in FY 2021 that have not been completed.

FLAGLER MONUMENT ISLAND

In 2013, the City of Miami Beach received and accepted a \$25,000 donation, which was originally intended for restoration projects related to Monument Island. To date, these funds have not been spent. Therefore, this proposed amendment is to appropriate these funds that were received and remain unspent for appropriate environmental initiatives identified by the City Administration.

CONCLUSION

The Administration recommends that the Mayor and City Commission adopt the Second Amendment to the General Fund, Enterprise Fund, Internal Service Fund, and Special Revenue Fund budgets for FY 2022 providing for the funding of encumbrances for good and services procured, but not yet received and expended at the end of FY 2021, projects that were budgeted in FY 2021, but not expended or encumbered at the end of FY 2021, as well as other appropriations noted above and further detailed in the attached Exhibit "A."
