WHEREAS, the Miami Beach Redevelopment Agency (the "Agency") on February 3, 1993 by Resolution No. 126-93 accepted the findings
and the finding that the rehabilitation, conservation, or redevelopment, or combination thereof, of such Redevelopment Area is necessary in the interest of the public health, safety, morals, or welfare of the residents of Dade County within such Redevelopment Area; and

WHEREAS, on February 3, 1993 the Agency by resolution also accepted the declaration of the Miami Beach City Commission that the Agency may act as the community redevelopment agency for the City Commission with respect to the Redevelopment Area; and

WHEREAS, the Agency has caused there to be prepared a redevelopment plan which was submitted to the Planning Board of the City of Miami Beach as the local planning agency of the City of Miami Beach for review and recommendations as to conformity with the comprehensive plan; and

WHEREAS, the Planning Board of the City of Miami Beach as the local planning agency of the City of Miami Beach by resolution on February 5, 1993 reviewed said redevelopment plan (a copy of which is appended to this Resolution as "Exhibit A", and which is hereinafter sometimes referred to as the "Redevelopment Plan" or "Plan") and held a public hearing with respect thereto, and further said Planning Board of the City of Miami Beach as the local planning agency found, by Resolution No. 93-1, said Plan in conformity with the comprehensive plan for the City of Miami Beach; and

WHEREAS, the Agency by Resolution No. 128-93 on February 12, 1993 recommended the Plan for approval by the City Commission of the City of Miami Beach, after making certain findings contained in said resolution of the Agency; and

WHEREAS, the City Clerk has published a public notice of a public hearing with respect to the fact that at this meeting the City Commission would consider: (i) adopting said Plan, (ii)
interlocal cooperation agreement between the City of Miami Beach and Dade County, Florida, (v) directing staff to seek a trust fund ordinance from the Board of County Commissioners of Dade County, and (vi) providing for severability and providing an effective date; and

WHEREAS, the City Commission has at this meeting conducted a public hearing with respect to the findings, conclusions and other matters set forth hereinabove and hereinbelow.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, that:

1. The City Commission hereby accepts the delivery of the Plan delivered to it by the Agency.

2. The City Commission hereby determines and finds that:

   (a) The redevelopment of the Redevelopment Area is necessary in the interest of the public health, safety, morals, and welfare of the residents of the City of Miami Beach and in the interests of implementing Part III of Chapter 163, Florida Statutes, by revitalizing the area economically and socially, thereby inhibiting the spread of disease and crime, and inter alia improving the tax base, promoting sound growth, and providing improved housing conditions.

   (b) A feasible method exists for the location of families who will be displaced from the Redevelopment Area in decent, safe, and sanitary dwelling accommodations within their means and without undue hardship to such families.

   (c) The Plan conforms to the comprehensive plan of the City of Miami Beach as a whole.

   (d) The Plan gives due consideration to the provision of adequate park and recreational areas and facilities that may be desirable for neighborhood improvement, with special consideration for the health, safety, and welfare of children
Beach as a whole, for the rehabilitation or redevelopment of the Redevelopment Area by private enterprise.

(f) To the extent that the Redevelopment Area consists of an area of open land to be acquired by the City of Miami Beach or Agency so as to be developed for residential uses, such areas may be acquired because it is hereby determined that: (i) a shortage of housing of sound standards and design which is decent, safe, affordable to residents of low or moderate income, including the elderly, and sanitary exists in the City of Miami Beach, (ii) that the need for housing accommodations has increased in the Redevelopment Area, (iii) that the conditions of blight in the Redevelopment Area or the shortage of decent, safe, affordable, and sanitary housing cause or contribute to an increase in and spread of disease and crime and constitute a menace to the public health, safety, morals or welfare, and (iv) that the acquisition of the area for residential uses is an integral part of and is essential to the project set forth in the Plan.

(g) With respect to any areas in the Redevelopment Area which are to be acquired so as to be developed for non-residential uses, such non-residential uses are necessary and appropriate to facilitate the proper growth and development of the community in accordance with sound planning standards and local community objectives, and acquisition may require the exercise of governmental action as provided in Part III of Chapter 163, Florida Statutes, because of:

1. Defective, or unusual conditions of, title or diversity of ownership which prevents the free alienability of such land;

2. Tax delinquency;

3. Outmoded street patterns;
7. Lack of correlation of the Redevelopment Area
with other areas of the City of Miami Beach by streets
and modern traffic requirements; or

8. Any combination of such factors or the other
conditions set forth in the Plan which retard development
of the area.

3. It is hereby found and determined that said Plan for
redevelopment of the Redevelopment Area conforms with Part III of
Chapter 163, Florida Statutes, is necessary in the interest of the
public health, safety, morals, and welfare of the residents of the
City of Miami Beach and will effectuate the purposes of the
aforesaid statute, by revitalizing the Redevelopment Area
economically and socially, thereby increasing the tax base,
promoting sound growth, improving housing conditions, and
eliminating the conditions which the Florida Legislature in such
statute found constituted a menace which was injurious to the
public health, safety, welfare, and morals of the residents.

4. The City Commission having conducted a full public
hearing on the matter and having made the findings expressed in
Paragraphs 2 and 3 above, hereby and herewith approves and adopts
the Plan.

5. The City Commission hereby directs its staff to seek
approval of the Plan by the Board of County Commissioners of Dade
County.

6. The City Commission hereby and herewith directs its staff
to seek from the Board of County Commissioners of Dade County
additional powers not already delegated to the City, which powers
originate in the Community Redevelopment Act of 1969, so as to be
able to fully exercise all powers originating in such Act and so to
be able to fully implement the Plan and otherwise exercise the
powers set forth in Part III of Chapter 163, Florida Statutes.
8. The City Commission further hereby and herewith directs its staff to take all further actions necessary and do all things required to accomplish implementation of the Plan and any amendments thereto.

9. The City Commission hereby and herewith directs its staff to negotiate and execute an appropriate interlocal cooperation agreement between the City of Miami Beach and Dade County, Florida in connection with the implementation of the Plan.

10. The City Commission hereby and herewith directs its staff to seek an appropriate trust fund ordinance from the Board of County Commissioners of Dade County so as to implement the Plan.

11. If any section, sentence, clause or phrase of this resolution is held to be invalid or unconstitutional by any court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this resolution.

12. This resolution shall take effect immediately upon its adoption.

Passed and Adopted this 12th day of February, 1993.

R#317-93

Recommendation

It is recommended that the Board approve:

- The attached City Center/Historic Convention Village Redevelopment and Revitalization Area Plan.

- The delegation of redevelopment powers under Chapter 163, Florida Statutes except those specifically identified in the resolution.

- The attached Interlocal Cooperation Agreement between Dade County and the City of Miami Beach which establishes terms and conditions, including the County and City responsibilities for the implementation of the City Center/Historic Convention Village Redevelopment and Revitalization Area Plan.

Background

In 1969, the Florida Legislature enacted the Community Redevelopment Act of 1969 as is presently contained in Part III of Chapter 163, Florida Statutes, as amended (The "Act"). The Act authorizes counties and municipalities in the State of Florida to create community redevelopment agencies, to prepare redevelopment plans for certain defined areas within their boundaries, designated as community redevelopment areas and to delegate redevelopment powers at the discretion of the County, after a finding has been made determining that slum or blight exists within a defined area.

On January 26, 1993, the Board by Resolution No. R-14-92, found the City Center/Historic Convention Village Redevelopment and Revitalization Area to be a slum or blighted area and delegated certain redevelopment powers consistent with the Act to City of Miami Beach so that the City could proceed with the creation of a Community Redevelopment Agency and the preparation of a Redevelopment Plan for said area.
Honorable Mayor and Members
Board of County Commissioners
Page 2

The City has prepared a Redevelopment Plan which was adopted by
the City Commission on February 12, 1993 (Resolution No.
93-20721). County staff has reviewed this plan and found it to
be consistent with the Act and the County’s Comprehensive Master
Plan and, therefore, recommends its approval by the Board.

In order to implement the Redevelopment Plan, the City Commission
has requested that all redevelopment powers under the Act be
delegated to it by the Board. Said delegation is to be granted
by this Board and formalized through an interlocal agreement
between the County and the City. County staff has reviewed this
request and recommends that every redevelopment power under the
Act, except those pertaining to approval of annual budgets and
the amount, duration and purpose of any bonds, notes, etc. for
the Redevelopment Area pledging or otherwise obligating tax
increment funds, and amendments to the redevelopment plan, be
delegated to the City of Miami Beach.
such county which has adopted a home rule charter may, in its discretion, by resolution delegate the exercise of the powers conferred upon the county by this part within the boundaries of a municipality to the governing body of such a municipality. Such a delegation to a municipality shall confer only such powers upon a municipality as shall be specifically enumerated in the delegating resolution. Any power not specifically delegated shall be reserved exclusively to the governing body of the county. This section does not affect any community redevelopment agency created by a municipality prior to the adoption of a county home rule charter.

; and

WHEREAS, the City Commission ("City Commission") of the City of Miami Beach ("City") adopted Resolution No. 92-20646 ("City Resolution No. 92-20646") which, among other things, concludes that there exists a defined geographic area within the corporate limits of the City of Miami Beach which contains a large number of commercial buildings which are deteriorated or deteriorating as well as a large number of substandard housing units which contribute to ill health and pose other potential dangers to the residents, such area being generally described as being bounded on the East by the Atlantic Ocean, on the North by 24th Street, on the West by West Avenue, and on the South by 14th Lane, all as more particularly described in Appendix "A" to this Resolution (which Appendix "A" is incorporated herein by reference and which described geographic area is hereinafter sometimes referred to as the "City Center/Historic Convention Village Redevelopment and Revitalization Area" (the "Redevelopment Area"); and
RESOLUTION NO. 317-93
