Speaker Nancy Pelosi to Attend Aspen Ideas: Climate in Miami Beach
—The Speaker of the United States House of Representatives will appear at Aspen Ideas: Climate on May 9, in conversation with Susan Goldberg —

Miami Beach, FL – The Honorable **Nancy Pelosi**, Speaker of the United States House of Representatives, will appear at Aspen Ideas: Climate on the evening of Monday, May 9, the Aspen Institute and City of Miami Beach announced today. Speaker Pelosi will appear in conversation with **Susan Goldberg**, Vice Dean and professor of practice at Arizona State University, journalist and former Editor in Chief of National Geographic, discussing congress' agenda to address climate change and the path to a thriving, sustainable economy.

The inaugural Aspen Ideas: Climate is an annual event in Miami Beach taking place May 9-12, bringing together some of the most exciting innovators and leaders together with the public to engage with local and global climate solutions with the potential to reshape our world. More than [170 speakers](#) from across policymaking, science, business, technology, art, education, journalism, and more will attend. Environmental Protection Agency Administrator **Michael Regan** will also appear on May 10, in conversation with Time correspondent **Justin Worland**. The full agenda is [available here](#).

###

The **Aspen Institute** is a global nonprofit organization committed to realizing a free, just, and equitable society. Founded in 1949, the Institute drives change through dialogue, leadership, and action to help solve the most important challenges facing the United States and the world. Headquartered in Washington, DC, the Institute has a campus in Aspen, Colorado, and an international network of partners. For more information, visit www.aspeninstitute.org

World-famous **Miami Beach** welcomes millions of visitors each year to its white, sandy beaches, turquoise waters and vibrant cultural scene. Known for its colorful art deco and MiMo architecture, the 7.2-square-mile island offers some of the finest dining and hotel experiences anywhere along with a beautiful oceanfront promenade that connects South Beach to North Beach. Steps away from the Atlantic Ocean and Biscayne Bay, Miami Beach is also at the forefront of identifying workable solutions to meet the challenge of sea level rise.
