**AUGUST 23, 2022 CITY OF MIAMI BEACH SPECIAL ELECTION:  
CITY CHARTER SECTION 1.03(c)--  
BALLOT QUESTION AND PROPOSED AMENDED CITY CHARTER TEXT**

---

**I. BALLOT QUESTION:**

**Charter Section 1.03(c):  
Voter Approval to Aggregate Floor Area  
When Vacating Streets/Conveying Public Property**

Charter Section 1.03(c) requires voter approval before increasing a property's "floor area ratio" (how City regulates building size).

The Charter has been interpreted to not require voter approval to aggregate (combine) the floor area of unified abutting parcels (adjacent properties touching/not separated by a lot under different ownership) arising from vacating a street or other sale/conveyance of public property.

Shall the Charter be amended to require voter approval of such floor area aggregations?

No: \_\_\_\_\_

**II. PROPOSED AMENDED CITY CHARTER TEXT:**

**Sec. 1.03. Powers of City.**

- (c) The floor area ratio of any property or street end within the City of Miami Beach shall not be increased by zoning, transfer, or any other means from its current zoned floor area ratio as it exists on the date of adoption of this Charter Amendment [November 7, 2001], including any limitations on floor area ratios which are in effect by virtue of development agreements through the full term of such agreements, unless any such increase in zoned floor area ratio for any such property shall first be approved by a vote of the electors of the City of Miami Beach. The provision shall not preclude or otherwise affect the division of lots, or the aggregation of development rights on unified abutting parcels, as may be permitted by ordinance, except that all or a portion of any street, alley, right-of-way, or any public property, may not be vacated, deeded, or otherwise sold or conveyed, if it has the effect of aggregating the floor area of any unified abutting parcels, unless such aggregation of floor area is first approved by a vote of the electors of the City of Miami Beach. ...
