

How to Submit Corrections

Once all documentation, up-front fee payment, and plans are received and in proper order, the plan review will commence. Follow the reviews, their status, and comments by:

- 01.** Open the permit.
- 02.** Select Reviews.
- 03.** Select the review type.

Correction Type	General Correction	Category	General Correction
Comment	BR2105234 07/14/2021		
	1- Equipment and supports exposed to wind forces must comply with FBC-M 301.15. Provide Miami-Dade County NOA certificate (reference NOA # on plans) for the condensing unit stands or provide signed and sealed structural calculations for supports. The NOA must be annotated to indicate components that will be used per specific dimensions of the mechanical equipment and what type of surface the supports will be attached to (CMU, concrete, steel, etc.). The designer must provide structural calculations or annotated NOA with required calculations. The windload resistance certification shall include the equipment tie down and the equipment cabinetry. The NOA must match CU mounting detail and notes.		

HOW TO SUBMIT CORRECTIONS ONLINE:

1. Return to CSS Dashboard.
 2. Select the permit that needs resubmission.
 3. Go to the Attachments tab.
- Resubmit plans on all the Attachments' cards that display the **"Resubmit"** label at the bottom of the card. Then when plans are uploaded, click on **"Submit"**.

Remember!

- You must re-submit the entire set for the discipline requesting corrections, even if there are sheets with no corrections.
- Resubmit the corrected files with the originally uploaded PDF file name.
- Do not change sheet numbers.
- How to insert new drawing between two existing sheets:
 - Use the alphabet. For example: insert a new page between A-1.pdf and A-2.pdf, the new page will be A-1A.pdf, A-1B.pdf (second new page), etc. Do not renumber the sheets.

How to submit a new document:

- If a new document is requested after your initial submission, you must wait until the plan review version is completed for the system to allow new uploads.

If assistance is needed, please contact the Building Department at 305 673 7610 extension 0.
