Dear Honorable Mayor and City Commission:

The Transportation, Parking and Bicycle-Pedestrian Facilities Committee (TPBPFC) held its hybrid meeting on September 12, 2022 and discussed the importance of public safety of pedestrians and bicyclists. The Committee agrees that a Bicycle Pedestrian Coordinator in the Transportation and Mobility Department will help in the delivery of key pending bicycle-pedestrian projects and initiatives. This position will also address current bicycle-pedestrian safety and accessibility issues throughout the City.

The TPBPFC passed a motion asking that consideration be placed for the funding of a Bicycle Pedestrian Coordinator position for the Transportation Department.

As an advisory Committee, we strongly request your consideration on the above motion.

Sincerely,

Transportation, Parking & Bicycle-Pedestrian Facilities Committee
