## LETTER TO COMMISSION

To: Honorable Mayor Dan Gelber and Members of the City Commission

From: Alina T. Hudak, City Manager 

Date: December 1, 2022

Subject: PreK Scholarship Program Lottery Results 2023-24 and Next Steps

The purpose of this Letter to Commission is to update you on the status of the City of Miami Beach's Prekindergarten (PreK) Program for Miami Beach residents for the 2023-2024 school year, approved at the December 8, 2021 Commission meeting. The Prekindergarten Program will expand hourly access to high quality PreK providers by providing up to \$3,000 to eligible Miami Beach families.

A computerized lottery was held on Thursday, December 1, 2022 at 9a.m. to place all resident applicants in a numerical order for scholarship receipt. Results from the lottery have been posted on the City's website including family name, confirmation number, and lottery number (Attachment A).

There are **110 Miami Beach residents** who were assigned lottery numbers with the breakdown of applications submitted below:

- 123 Applications Started
- 119 Applications Submitted
- 9 Applications Not Eligible
- 110 Lottery Numbers Assigned

There are currently eighteen (18) Prekindergarten provider partners (Attachment B) who registered to join the City in its effort to expand access to quality early childhood education.

Funding for the 2023-24 school year is available to 158 eligible families. The City of Miami Beach will re-open the application on January 4, 2023 to provide access to remaining scholarship funds to community members who may have missed the deadline or are new to Miami Beach on a first come first serve until all scholarship funds are assigned.

The PreK website located at [www.miamibeachfl.gov/prek](http://www.miamibeachfl.gov/prek) provides an overview of the program, lottery results, and provider information (Attachment C). Staff from the Office of Education and Performance Initiatives will continue to work with families and providers to ensure PreK scholarship funds are encumbered and utilized for the 2023-24 school year as anticipated. Additionally, the administration will continue to hold informational sessions for interested Miami Beach families and PreK providers.

We will continue to support our vision of being a prosperous city with a special flavor of arts, culture, education, and business with management objectives of being known for (K-12) educational excellence.

If you have any questions, please feel free to contact me or Dr. Leslie Rosenfeld, Chief Education Officer.
