Dear Honorable Mayor and City Commission:

The Transportation, Parking and Bicycle-Pedestrian Facilities Committee (TPBPFC) held its hybrid meeting on Monday, February 13, 2023. At the request of the City Commission, the Committee reviewed the proposed Baylink Metromover Project and held a discussion that included Miami Beach residents.

The TPBPFC passed a motion supporting the Baylink Metromover Project.

As an advisory Committee, we urge the Mayor and City Commission to support the Baylink Metromover project.

Sincerely,

Transportation, Parking & Bicycle-Pedestrian Facilities Committee
