(See Section 99.093(2) Florida Statutes.) An Affidavit of Financial Hardship is included in the "Most Commonly Used Election Forms" webpage located at <https://www.miamibeachfl.gov/city-hall/city-clerk/election-information/most-commonly-used-election-forms/>

Qualifying by Petition in Lieu of Paying the Municipal Qualifying Fee

If you intend to qualify for office by petition, rather than paying the Municipal Qualifying Fee, you may begin circulating your petitions any time after filing your Form DS-DE 9. *Petitions signed before the date Form DS-DE 9 is filed with the Office of the City Clerk are not valid.*

A petition in lieu of paying the Municipal Qualifying Fee shall be filed with the City Clerk **no later than noon** of the 14th day prior to the first day of qualifying as a candidate for such office. **(Noon on August 22, 2023, is the last day to submit to the City Clerk the petition in lieu of paying the Municipal Qualifying**

Fee.) Said petition approving his/her candidacy must be signed by sufficient qualified and registered Miami Beach voters to constitute at least 2% of the number of voters as the same shall be on the date sixty (60) days prior to the first day of qualifying as a candidate for office (**July 7, 2023**). Candidates may utilize the City of Miami Beach Petition in Lieu of Qualifying Fee form or State Form DS-DE 104 Candidate Petition Form. These forms are available in the City's "Most Commonly Used Election Forms" webpage located at <https://www.miamibeachfl.gov/city-hall/city-clerk/election-information/most-commonly-used-election-forms/>

In the event the Miami-Dade County Elections Department has not issued its certificate verifying the required number of valid signatures on the subject qualifying petition by 5:00 p.m. on the second day of the City's four-day qualifying period (**September 6, 2023**), the City's 7.5% qualifying fee shall be waived by the City in the event the subject candidate should otherwise qualify for office pursuant to Section 6.03 of the City Charter.

If the candidate is unable to collect the required number of signatures, he/she may still qualify by paying the qualifying fee.

▲ IMPORTANT - Candidates qualifying by petition in lieu of paying the Municipal Qualifying Fee are still required to pay the State Election Assessment Fee. (For the Office of Mayor, the State Election Assessment Fee is \$160 and for the Office of Commissioner, the State Election Assessment Fee is \$120.) The State Election Assessment Fee **MUST** be paid by a **check drawn on the candidate's campaign account**. The check from the campaign account is to be made payable to the City of Miami Beach for the total amount due. Any person seeking to qualify for election who is unable to pay the State Election Assessment Fee without imposing an undue burden on personal resources or resources otherwise available to him or her shall, upon written certification of such inability given under oath to the City Clerk, be exempt from paying the State Election Assessment Fee (see Section 99.093(2) Florida Statutes). An Affidavit of Financial Hardship is included in the City's "Most Commonly Used Election Forms" webpage located at <https://www.miamibeachfl.gov/city-hall/city-clerk/election-information/most-commonly-used-election-forms/>

▲ IMPORTANT - Common Reasons for Invalid Petitions:

- The voter's name is not listed or printed.
- The voter did not indicate or indicated an incorrect date signed.

- The voter's signature does not match the records.
- The voter signed more than one petition for this candidate in this election.
- The voter does not reside in Miami Beach.

If you currently hold an elected or appointed position, please consult with your attorney to determine whether you are required to resign from the office you presently hold to run for this office. (See Section 99.012 Florida Statutes.)

The Office of the City Clerk has notaries available and will notarize required campaign documents at no charge.

When you are prepared to submit your qualifying forms, please make an appointment to visit the Office of the City Clerk by calling 305.673.7411.

Note: All documents filed with the Office of the City Clerk are public records and will be placed on the City's website.

Pursuant to Florida Statutes 99.061(7)(c), the City Clerk, as filing officer, performs only a ministerial function in reviewing qualifying papers. In determining whether a candidate is qualified, the filing officer shall review the qualifying papers to determine whether all items required have been properly filed and whether each item is complete on its face, including whether items that must be verified have been properly verified (by oath or affirmation) pursuant to Florida Statutes 92.525(1)(a). The filing officer may not determine whether the contents of the qualifying papers are accurate.

Fingerprints / Photograph

Before submitting the necessary documents during the qualifying period, each candidate must go to the Miami Beach Police Department Records Section, 1100 Washington Avenue, to be fingerprinted and photographed as required by Section 6.03 of the City Charter. Please contact Police Records Manager Patrick Henry at 305.673.7776 X 23035 for an appointment. Fingerprints are processed Monday through Thursday, from 8:00 a.m. to 2:30 p.m. **Note: All candidates, even those running for reelection or who have previously run for office in Miami Beach, must be fingerprinted and photographed for the 2023 General Election.**

City of Miami Beach Oath or Affirmation

All candidates qualifying for office shall have taken, signed, and subscribed to an oath or affirmation in writing in which he/she shall state (1) the title of the office for which he/she is a candidate; (2) that he/she is a qualified elector of the City of Miami Beach, Florida, and has resided in the City at least one year prior to qualifying; (3) his/her legal residence, by street and number; and (4) that he/she is qualified under the ordinances (including Miami Beach City Code Chapter 38 governing "Elections") and Charter of the City of Miami Beach, Florida, to hold the office for which he/she is a candidate.

Documents Evidencing Residency in the City of Miami Beach for at Least One Year Before Qualifying

All candidates qualifying for office shall have submitted one (1) or more documents upon which he/she relies upon to evidence that he/she has resided in the City for at least one year before qualifying, which type document(s) shall include, but not limited to: a Florida government-issued identification, a voter's registration card, driver's license, property tax receipt, homestead exemption, utility bill, or lease agreement. (See 6.03 Miami Beach Charter. (See TAB 15.)

⚠ IMPORTANT - Given the City Clerk's ministerial role in the processing of qualifying papers, any challenge to a candidate's one-year residency initiated by a private party in a Court of law will require the candidate to defend his/her eligibility as a candidate. Residency is determined by a variety of acts or declarations, all of which will be evaluated by the Court in its determination of residency, including but not limited to the subject residency document filed by the candidate as part of his/her qualifying documents. A 'legal residence' is the place where a person has a fixed abode with the present intention of making it his or her permanent home." *Perez v. Marti*, 770 So. 2d 284 (Fla. 3d DCA 2000), citing *Walker v. Harris*, 398 So. 2d 955 (Fla. 4th DCA 1981). The establishment of one's residence depends on a variety of acts or declarations all of which must be weighed in the particular case as evidence would be weighed as to any other subject. *Bloomfield v. City of St. Petersburg Beach*, 82 So.2d 364 (Fla.1955). The factors considered by a Court in determining residency are thus numerous and may include home ownership, homestead exemption, driver's license, voting registration, etc.

Campaign Treasurer's Reports

The campaign treasurer (or deputy treasurer) designated by a candidate shall file Campaign Treasurer's Reports of all contributions received, and all expenditures made, by or on behalf of such candidate. Campaign Treasurer's Reports shall be filed on the dates listed in the "Important Dates and Deadlines" section of this handbook. Failure to file a Campaign Treasurer's Report on the designated due date will subject the candidate to a fine for each day late. If a candidate fails to file a Report by the designated due date, he/she is subject to a fine of \$50 per day for the first three days and \$500 per day thereafter, not to exceed 25% of the receipts or expenditures, whichever is greater. However, for the Reports immediately preceding the General Election or the Run-Off Election (if required), the fine is \$500 per day, not to exceed 25% of the total receipts or expenditures, whichever

is greater. (See Florida Statutes 106.07(8)(b).) **Such fine shall be paid only from the personal funds of the candidate.**

Within twenty (20) days after receipt of the fine notice, a candidate may:

1. Pay the fine from personal funds (not campaign funds) to the City Clerk; or
2. Appeal the fine to the Florida Elections Commission and notify the City Clerk in writing.

In any reporting period during which a candidate has not received funds, made any contributions, or expended any reportable funds, the filing of the required Report for that period is waived. Candidates must nevertheless file timely a Waiver of Report electronically, with the Office of the City Clerk.

Once the Office of the City Clerk receives the Report, it becomes a public record. The Report will be posted on the Office of the City Clerk's Election webpage and will be available for inspection.

The function of the Office of the City Clerk regarding Campaign Treasurer's Reports is ministerial. The Office of the City Clerk will examine the Reports for completeness, but not correctness. The Office of the City Clerk is required to notify the Florida Elections Commission for failure to submit a report or repeated late filings.

Campaign Treasurer's Report Electronic Submittal

Each candidate required to file a Campaign Treasurer's Report with the City Clerk, pursuant to Chapter 106 of the Florida Statutes, shall file such Reports utilizing the City's electronic filing system. (See Section 38-9 of the Miami Beach City Code.)

After submitting Forms DS-DE 9 and DS-DE 84 to the City Clerk, the candidate and treasurer will receive a User ID Number, generic passwords, and generic PINs to access the City's online electronic filing system. Candidates and treasurers should change their passwords and PINs online.

Candidates and treasurers may access the City's electronic filing system using the below link or by visiting the Office of the City Clerk's November 7, 2023 Election website.

https://www.voterfocus.com/ws/WScand/candidate_login.php?county=munmiamibeach

Detailed instructions on how to use the City's online electronic filing system may be found at:

<https://www.miamibeachfl.gov/wp-content/uploads/2022/07/How-to-File-Financial-Reports-Online.pdf>

A copy of the VR/VoterFocus Handbook on How to File Financial Reports Online dated August 11, 2021 (the latest version available) is also being provided to you.

Make sure to review your Campaign Treasurer's Report before the electronic submission. If the Report is incomplete, an amended Report will have to be filed.

Once the online Report is completed, both the candidate and treasurer must enter their PINs and click submit. Reports must be submitted electronically no later than midnight (Eastern Time) on the due date. Failure to submit a Report on time will result in a fine being assessed based on the date the Report is submitted electronically.

Campaign Treasurer's Reports are public records. These reports will likely be reviewed by opposing candidates, the public, and media outlets. In some cases, investigators from different governmental agencies review these reports. Great care must be taken to ensure that Campaign Treasurer's Reports are complete, accurate, and in compliance with all election laws.

If a campaign report has been accepted and is found to be incomplete, the candidate will be notified and required to file an amended campaign report.

Financial Report Filing Procedures

The candidate will be assigned an identification number and password by the Office of the City Clerk that is required to log in. This information is shared between the candidate and treasurer so both parties may access the system. It is the candidate's responsibility to protect the sign-on credentials from outside disclosure.

Both the candidate and treasurer will be assigned individual PINs used as their electronic signature during the submission of the treasurer's reports. The Office of the City Clerk assigns the PINs.

The City Clerk will notify campaign treasurers of the reports' due dates. The candidate and treasurer will be required to "PIN" each report in order to submit the report. Their PINs serve as their electronic signature. Once submitted, the report will state an Online Submission confirmation number including the date and time of submission. After submission, the Treasurer's Reports should be printed using the online reporting system and maintained by the treasurer. In the event the electronic filing system is inoperable on the date a report is due, the report will be accepted as timely filed if filed no later than midnight (Eastern Standard Time) the first business day the electronic filing system becomes operable again.

The Office of the City Clerk will receive an email that the report has been filed. Reports submitted with errors may be rejected if time permits correction without making the report late. If time does not permit, an amendment to the report will have to be filed to correct the incomplete report. Incomplete reports are accepted on a conditional basis. Examples of incomplete reports include missing names, addresses, descriptive occupations, etc. The treasurer will have seven (7) days to file an amendment to an incomplete report.

Information That Must Be Included In The Campaign Treasurer's Report Relating To Contributions

The treasurer must include in each Campaign Treasurer's Report the full name, complete address, and occupation, if any, of each person who has made one or more contributions to your campaign fund within the reporting period, together with the amount and date of such contributions. However, if the contribution is \$100 or less, or from a relative as defined in 112.312 Florida Statutes, provided the relationship is reported, the occupation of the contributor need not be reported. All monies, regardless of the amount, must be reported with the date the treasurer/candidate received it.

When a candidate receives an anonymous contribution, it must be reported on the candidate's campaign treasurer's report as an anonymous contribution. A letter should be submitted to the City Clerk explaining the circumstances surrounding the acceptance of the anonymous contribution. The candidate cannot spend the anonymous contribution but, at the end of the campaign, they can donate the total amount to an appropriate entity under Section 106.141 Florida Statutes.

▲ IMPORTANT - All contributions must be deposited before the end of the fifth (5th) business day following receipt by the campaign treasurer... Saturdays, Sundays, and legal holidays are excluded.

Note: Expenditures must also be reported on the Treasurer's Report and include the full name and complete address of the vendor as well as the purpose for the purchase with the date being the "purchase" date.

Definition of "Relative" as Defined in 112.312(21) Florida Statutes

"Relative" with respect to a public office means an individual who is related to the public official as a father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother, half-sister, grandparent, great grandparent, grandchild, great-grandchild, step-grandparent, step great grandparent, step-grandchild, step great-grandchild, a person who is engaged to be married to the public officer or employee or who otherwise holds himself or herself out as or is generally known as the person whom the public officer or employee intends to marry or with whom the public officer or employee intends to form a household, or any other natural person having the same legal residence as the public officer or employee.

▲ IMPORTANT - Common Campaign Treasurer's Report Mistakes Made by Candidates and Campaign Treasurers:

- Incomplete addresses.
- Accepting a cash contribution and then spending it before it is deposited into the campaign account.
- Accepting anonymous contributions, such as passing the hat or selling tickets for fundraisers without getting the required information from contributors.
- Accepting cash contributions above \$50, in aggregate, per election, from the same donor.
- Filing Campaign Treasurer Reports late.
- Showing a deficit in campaign contribution and expenditure reports.
- Spending monetary contributions before they are deposited into the campaign account.
- Paying for items with cash and personal check instead of a campaign check.
- Accepting contributions to cover outstanding expenses after the election.
- Listing contributor occupation as "business owner," "sales," or other vague descriptions.
- Listing a contribution from "Mr. and Mrs." – the contribution must be listed from the individual who signed the check. (Division of Elections Opinion 93-10)
- Contributions over \$100 without a clear description of the occupation or type of business of the contributor (unless the contribution is from a relative and the relationship is reported).
- Contributions received outside the reporting period. A contribution is considered received on the day the candidate or treasurer received the contribution, not the date it is deposited.
- Contributions that exceed the contribution limit of \$1,000 per person, per election.
- Expenditures made outside the reporting period.
- The purpose of expenditures is not provided.
- The contribution type is incorrect.

Additional Reporting Requirements

1. *Vote-by-Mail Campaigning Reporting Requirement*

In accordance with Section 12-14.1 of the Code of Miami-Dade County, municipal candidates must file form MD-ED 26 to disclose the names of paid campaign workers engaged in Vote-by-Mail activities. (See TABS 6 and 19 of this handbook for more information.)

LTC No. 241-2023

LETTER TO COMMISSION

TO: Mayor Dan Gelber and Members of the City Commission

FROM: Rafael A. Paz, City Attorney 

DATE: May 24, 2023

SUBJECT: **Updated Overview of City of Miami Beach Campaign Finance Laws – Restrictions on City Commission Members and Candidates for City Elected Office and Related Filing Requirements.**

This LTC has been prepared in order to update the prior guidance the City Attorney's Office has provided concerning the City's Campaign Finance laws¹, in view of recent amendments approved by the Mayor and City Commission.

Specifically, the Mayor and City Commission amended Chapter 2 of the City Code to strengthen the City's Campaign Finance laws, effective May 27, 2023, by:

- Prohibiting incumbent members of the City Commission and candidates for such offices from soliciting "vendors," "real estate developers,"² and their lobbyists for contributions to an Electioneering Communication Organization that makes expenditures for electioneering communications relating to candidates for City elected office or accepts contributions for the purpose of making such electioneering communications; and
- Establishing certain filing requirements for incumbent Commission members and candidates for such office, requiring disclosure of their upcoming solicitation of contributions for Political Committees or Electioneering Communications Organizations, as well as disclosure of any letter of instruction or other findings of a violation of the City's Campaign Finance laws or related County disclosure laws (and corresponding requirements, as set forth below).

I. SUMMARY OF CAMPAIGN FINANCE RESTRICTIONS:

The following chart sets forth the Code's prohibited actions relating to the solicitation or acceptance of campaign-related contributions, as well actions not otherwise prohibited, as applicable to members of the City Commission, candidates for the City Commission, and their campaign committees:

¹ See City Code Chapter 2, Article VII, Division 5, at Sections 2-487 through and including 2-490, at: https://library.municode.com/fl/miami_beach/codes/code_of_ordinances?nodeId=SPAGEOR_CH2A_D_ARTVIISTCO_DIV5CAFIRE

² See City Code section 2-487 defining "Vendor", and City Code section 2-489 defining "Real Estate Developer."

PROHIBITED ACTIONS	ACTIONS NOT PROHIBITED
<p>May not “directly” (i.e., the incumbent, candidate or candidate’s committee) solicit, accept or deposit into that candidate’s campaign account a campaign contribution from a vendor, real estate developer, or lobbyist of a vendor or real estate developer.</p>	<p>May directly solicit, accept or deposit into a candidate’s campaign account a campaign contribution from a donor, so long as the donor is not a vendor, real estate developer, or lobbyist of a vendor or real estate developer.</p> <p>NOTE: Incumbents, candidates and their campaign committees are directed to make reasonable efforts to ensure that potential donors solicited on a wide-scale basis (such as open invitations to a particular class of invitees, or solicitations via e-mail blasts) do not include City vendors, real estate developers, or their lobbyists³.</p>
<p>May not “indirectly” (i.e. through a third party, where the incumbent, candidate or candidate’s committee has coordinated with, or directed another person/entity to act) solicit, accept or deposit into that candidate’s campaign account a campaign contribution from a vendor, real estate developer, or lobbyist of a vendor or real estate developer.</p>	<p>May indirectly solicit, accept or deposit a campaign contribution into a candidate’s campaign account from a donor, so long as the donor is not a vendor, real estate developer, or lobbyist of a vendor or real estate developer.</p> <p>NOTE: Incumbents, candidates and their campaign committees are directed to make reasonable efforts to ensure that those potential donors solicited on a wide-scale basis (such as open invitations to a particular class of invitees, or solicitations via e-mail blasts) do not include City vendors, real estate developers or their lobbyists.</p>

³ Were an incumbent or candidate, in the midst of a wide-scale solicitation, to inadvertently solicit a vendor, real estate developer, or their lobbyist, such action would constitute a per se violation of the City’s Code, subject to review by the Miami-Dade County Ethics Commission. In such a situation, the Ethics Commission would presumably consider all reasonable efforts made by the incumbent/candidate to pre-determine whether such prohibited donors would be within the class of persons targeted for solicitation, as well as all efforts made by the incumbent/candidate to mitigate the prohibited solicitation (such as timely correspondence withdrawing requests for contributions and/or returning such contributions).

PROHIBITED ACTIONS	ACTIONS NOT PROHIBITED
<p>May not directly or indirectly solicit a vendor, real estate developer, or lobbyist of a vendor or real estate developer for a campaign contribution to a Political Committee (PC)⁴ that supports or opposes candidates for City elected office; and/or to an Electioneering Communication Organization (ECO) that makes expenditures for electioneering communications relating to candidates for City elected office or accepts contributions for the purpose of making such electioneering communications.</p>	<p>May directly or indirectly solicit a vendor, real estate developer, or lobbyist of a vendor or real estate developer, for a campaign contribution to a PC that does not support or oppose candidates for City elected office; to an ECO that does not make expenditures for electioneering communications relating to candidates for City elected office or accept contributions for the purpose of making such electioneering communications; or to a candidate for office other than City Mayor or Commissioner.</p> <p>May directly or indirectly solicit persons other than a vendor, real estate developer, or lobbyist of a vendor or real estate developer for a campaign contribution to a PC (regardless of whether it supports or opposes candidates for City elected office), and/or to an ECO (regardless of whether it makes expenditures for electioneering communications relating to candidates for City elected office or whether it accepts contributions for the purpose of making such electioneering communications).</p> <p>NOTE: Notwithstanding the foregoing City Code restrictions, incumbents and candidates for City office are not prohibited from otherwise associating with or serving as an officer of a PC (regardless of whether it does or does not support/oppose candidates for City elected office), or as an officer of an ECO (regardless of whether it does or does not make expenditures for electioneering communications relating to candidates for City elected office or accepts contributions for the purpose of making such electioneering communications).</p>

⁴ The City Code defines the terms “Political Committee” and “Electioneering Communications Organization” in accordance with Chapter 106, Florida Statutes, and the term "candidate" in accordance with Section 97.021(5), Florida Statutes.

PROHIBITED ACTIONS	ACTIONS NOT PROHIBITED
<p>May not solicit, accept, or deposit into a candidate’s campaign account a campaign contribution from a potential donor without first checking the City’s website, as well as verifying with the City’s Procurement Division, the “vendor” status of any potential donor, verifying with the City Clerk’s records the “real estate developer” status of any potential donor, and verifying with the City Clerk’s records whether a potential donor is a “lobbyist” for a vendor or real estate developer.</p> <p>Visit: https://www.miamibeachfl.gov/city-hall/city-clerk/election-information/campaign-finance/</p>	<p>Once this verification process has occurred and the incumbent, candidate, and/or the candidate’s campaign committee has confirmed that a potential donor is not a vendor, real estate developer, or a lobbyist for a vendor or real estate developer, then the incumbent, candidate, and/or the candidate’s campaign committee may solicit, accept, or deposit into the candidate’s campaign account a campaign contribution from the subject potential donor.</p>

II. RELATED CITY FILING REQUIREMENTS:

In addition to the above, the following City filing requirements are applicable to incumbent City Commission members and candidates for such Offices:

PRE-SOLICITATION FILING	POST-SOLICITATION FILING
<p>Must file prior to solicitation (not otherwise prohibited by City’s Campaign Finance laws) the attached Reporting of Solicitation of Contributions Form, disclosing any direct or indirect solicitation on behalf of a PC that supports or opposes candidates for City elected office, and/or ECO which makes expenditures for electioneering communications relating to candidates for City elected office or accepts contributions for the</p>	<p>Any candidate or incumbent member of the City Commission who was issued a letter of instruction or other finding of violation of the City’s Campaign Finance laws or sections 12-14.2.1 or 12-14.2.2 of Miami-Dade County Code,⁵ must provide the City Clerk with a copy of such letter of instruction or other finding of violation within ten (10) days of receipt thereof, to be posted by City Clerk on the City’s website.</p>

⁵ These sections of the County Code establish County requirements for disclosure by incumbent County or municipal Commission members and candidates for such offices, of solicitation activities undertaken on behalf of, *inter alia*, any Political Committee and/or Electioneering Communications Organization, to be filed within five (5) days of commencing solicitation activities. **NOTE:** Considering the subject City restrictions on solicitation, County disclosure law is to be interpreted as the disclosure of solicitation activities *not otherwise prohibited by City law*--see above column entitled “Actions Not Prohibited.”

PRE-SOLICITATION FILING	POST-SOLICITATION FILING
<p>purpose of making such electioneering communications.</p> <p>NOTE: This filing requirement is a one-time report, to be filed with the City Clerk indicating that the candidate or member of the City Commission is undertaking solicitation activities on behalf of a particular PC and/or ECO (form available on City Clerk’s website at: https://www.miamibeachfl.gov/city-hall/city-clerk/election-information/campaign-finance/</p>	<p>NOTE: If the letter of instruction or other finding of violation involves failure to comply with the requirements of County Code Sections 12-14.2.1 or 12-14.2.2, the candidate or City Commission member shall notify the City Clerk in writing, at the time of submission to the City Clerk of the letter of instruction or other finding of violation, whether the contribution or proceeds associated with such letter of instruction or other violation has been returned to the donor.</p>

The above is intended as an overview of the City’s Campaign Finance Laws’ applicability to members of the City Commission and candidates for City office. Should you have any specific questions pertaining to this matter or otherwise wish to discuss the above issues in greater detail, please do not hesitate to contact me.

Such fine shall not be an allowable campaign expense and shall be paid only from the personal funds of the candidate. Any candidate may appeal or dispute the fine to the Miami-Dade County Commission on Ethics and Public Trust based upon, but not limited to, unusual circumstances surrounding the failure to file on the designated due date, and may request, and shall be entitled to, a hearing before the Commission on Ethics and Public Trust, which shall have the authority to waive the fine in whole or in part. Any such appeal or dispute shall be made within twenty (20) days after receipt of notice that payment is due, or such appeal or dispute shall be waived.
- Candidates for municipal office in Miami-Dade County may not direct or knowingly permit any paid or volunteer campaign worker to violate any provision of the Miami-Dade County Code or Florida Law regarding the conduct of Vote-by-Mail. Any such candidate found to violate this subsection by the Commission on Ethics and Public Trust shall, in addition to any other civil or criminal penalties provided by law, shall be subject to the penalties provided in Section 2-11.1(bb) of the Code of Miami-Dade County.

USE OF CITY BUILDINGS FOR POLITICAL CAMPAIGN ACTIVITIES

Prohibition on the solicitation or knowing acceptance of political contributions in City buildings

Pursuant to Florida campaign finance law, "[n]o person shall make, and no person shall solicit or knowingly accept any political contribution in a building owned by a governmental entity." (Section 106.15(4) Florida Statutes.) For purposes of this Statute, "accept" means "to receive a contribution by personal hand delivery from a contributor or the contributor's agent." This prohibition applies to all City-owned buildings, including City buildings managed by private entities (e.g., the Jackie Gleason Theater, Miami Beach Convention Center, Miami Beach Botanical Garden, and the North Beach Oceanfront Center (managed by UNIDAD)).

Soliciting contributions in a building owned by a governmental entity includes correspondence such as USPS mail, e-mail, or fax that is sent to a government address. As a reminder, please remove any addresses associated with the City of Miami Beach from campaign distribution lists.

The Statute does not apply when a City building, or any portion thereof, is rented for the specific purpose of holding a campaign fundraiser. Any other political campaign activity may occur in a City building, provided that such activity is not otherwise prohibited by law.

Public access (including access by candidates) to City buildings

At its regular meeting on May 17, 2017, the City Commission adopted a motion reaffirming the City's policy that all City-owned buildings (whether managed by the City or by a private entity) that are intended to be open to the public shall also be open to candidates for office, including during public events. Therefore, City staff and private entities that manage City buildings should not prohibit candidates for office from entering those facilities and conducting campaign activities, unless any such activities are prohibited by Florida law, as described above.

However, a candidate may be excluded from a City building if the building (or a portion thereof) has been rented or leased to a third party for a private event. In such an instance, the City building (or a portion thereof) would not be "open to the public."

Additionally, candidates for office may also conduct campaign activities in privately owned facilities when such a facility is rented by the City to host an event that is open to the public.

USING SERVICES OF STATE, COUNTY, MUNICIPAL OR DISTRICT OFFICERS, OR EMPLOYEES

A candidate may not, in the furtherance of his or her candidacy for nomination or election to public office in any election, use the services of any state, county, municipal, or district officer or employee during working hours. (See Florida Statutes 106.15(3).)

Before the opening of a drop box location, a polling place, or an early voting site, the clerk or supervisor shall designate the no-solicitation zone and mark the boundaries.

The no solicitation zone applies to early voting sites and polling locations. If private property “takes over” before the 150-foot zone is reached, you must have permission from the property owner to campaign on their property.

For the purpose of this subsection, the terms “solicit” or “solicitation” shall include, but not be limited to, seeking or attempting to seek any vote, fact, opinion, or contribution; distributing or attempting to distribute any political or campaign material, leaflet, or handout; conducting a poll except as specified in this paragraph; seeking or attempting to seek a signature on any petition; selling or attempting to sell any item; and engaging in any activity with the intent to influence or effect of influencing a voter. The terms “solicit” or “solicitation” may not be construed to prohibit an employee of, or a volunteer with, the supervisor from providing nonpartisan assistance to voters within the no-solicitation zone such as, but not limited to, giving items to voters, or to prohibit exit polling.

MANDATORY ETHICS TRAINING FOR CITY'S ELECTED OFFICIALS

I. Miami Dade County Ethics Training:

Pursuant to Miami-Dade County Code Section 2-11.1(bb), the City's elected officials must:

- Execute an affidavit, on a form prepared by the Ethics Commission, stating that he or she has read the Miami-Dade County Conflict of Interest and Code of Ethics Ordinance and agrees to comply with the provisions of said ordinance, and shall file the required affidavit with the Ethics Commission before being sworn into office; and
- Within ninety (90) days after being sworn into office, submit to the Clerk of the Board of County Commissioners a certificate of completion of an ethics course offered by the Miami-Dade County Commission on Ethics and Public Trust ("Ethics Course").

Accordingly, the Mayor and City Commissioners must within 90 days of their respective inductions into office complete the County Ethics Commission's ethics course and have their certificates of completion filed with the Ethics Commission.⁴

If you have any questions about the County's ethics training, please contact the Miami-Dade Commission on Ethics and Public Trust by telephone at 305.579.2954 or by e-mail at ethics@miamidade.gov,

II. State of Florida Ethics Training:

Unlike the above County Code Section that requires mandatory ethics training to be taken only once during a City Commission member's term of office, the Mayor and City Commissioners must take the State ethics training every year⁵ during a Commission member's term. Specifically, pursuant to Florida Statutes Section 112.3142 (2)(b), municipal elected officers must:

- Annually complete 4 hours of ethics training on the topics of **State Ethics laws** (s. 8, Art. II of the State Constitution and Chapter 112, Florida Statutes), **Public Records laws** (Chapter 119, Florida Statutes.), and **Public Meetings laws** (Chapter 286, Florida Statutes.); and

⁴ Since the County Code requires that its required ethics training be completed "...within 90 days after being sworn into office," upon completion of his/her present term of office on the City Commission, any incumbent member of the City Commission who in the future is reelected and/or appointed to the City Commission must retake the COE ethics course for any such subsequent term(s).

⁵ Pursuant to Florida Statute 112.3142(d): "...An elected municipal officer assuming a new office or new term of office on or before March 31 must complete the annual training on or before December 31 of the year in which the term of office began. An elected municipal officer assuming a new office or new term of office after March 31 is not required to complete ethics training for the calendar year in which the term of office began."

- Certify on their annual statement of financial disclosure that they have completed the State-required ethics training⁶

The Statute does not require that the ethics training be provided from any particular source (unlike the County law that requires the County Ethics Commission to provide the training) or that the required 4 hours of training consist of any particular combination of training.⁷ So long as the required subjects are covered⁸, the State's requirement may be satisfied by completion of a continuing legal education class or other continuing professional education class, seminar, or presentation (whether via live attendance or webinar), and that any knowledgeable person or entity (other than the reporting City Commission member⁹) may provide the training.

For a listing of available online tutorials, go to the State of Florida Commission on Ethics at: <http://www.ethics.state.fl.us> and click on "training" at the top of the page.

⁶ Elected municipal officers are required by s. 8, Art II of the State Constitution to file annually CE Form 1, "Statement of Financial Interests" for disclosure of the preceding year's financial interests; accordingly, members of the City Commission's certification of having completed the State ethics training will be reflected on Form 1, ad infinitum. (Form 1 is available at <http://www.ethics.state.fl.us/financialdisclosure/downloadaform.aspx>)

⁷ See, State COE 13-24.

⁸ A Commission member's prior training on the required topics may be used towards the required 4 hours only if the prior training was completed in same calendar year as the subject reporting period; moreover, a 50-minute "hour" will satisfy one hour of the training requirement, whether it is a Bar Continuing Legal Education for attorneys or is other training for attorney or non-attorney municipal officer.

⁹ "... [T]he requirement [can]not be satisfied by a self-directed learning program consisting of the official's review of materials he-or-she selects independently. By using the term 'training' the statute contemplates education which is provided by persons proficient in the subject matter, rather than self-study." *COE 13-24*.

AN ORDINANCE OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING MIAMI BEACH CITY CODE CHAPTER 2 "ADMINISTRATION", ARTICLE VII "STANDARDS OF CONDUCT", AT DIVISION 5 "CAMPAIGN FINANCE REFORM", SECTIONS 2-487 THROUGH AND INCLUDING 2-490 THEREOF TO PROHIBIT CANDIDATES FOR CITY ELECTED OFFICE AND MEMBERS OF THE CITY COMMISSION FROM SOLICITING VENDORS, REAL ESTATE DEVELOPERS AND THEIR LOBBYISTS FOR CONTRIBUTIONS TO ELECTIONEERING COMMUNICATIONS ORGANIZATIONS THAT EXPEND FUNDS RELATED TO CANDIDATES FOR CITY ELECTED OFFICE, AND FURTHER ESTABLISHING DISCLOSURE REQUIREMENTS OF SUCH CITY CANDIDATES AND CITY COMMISSION MEMBERS FOR THEIR SOLICITATION OF CONTRIBUTIONS FOR POLITICAL COMMITTEES AND ELECTIONEERING COMMUNICATIONS ORGANIZATIONS; PROVIDING FOR REPEALER, SEVERABILITY, CODIFICATION, AND AN EFFECTIVE DATE.

WHEREAS, as reflected by its prior adoption of legislation on the issue of Campaign Finance Reform, the Miami Beach City Commission has found and determined that legislation is necessary for the preservation of the integrity of representative democracy in the City of Miami Beach, in order to combat quid pro quo and its appearance; and

WHEREAS, pursuant to Section 106.11 of the Florida Statutes, Electioneering Communications Organization ("ECO") means any group, other than a political party, affiliated party committee, or political committee, whose election-related activities are limited to making expenditures for electioneering communications or accepting contributions for the purpose of making electioneering communications and whose activities would not otherwise require the group to register as a political party or political committee under Chapter 106 of the Florida Statutes; and

WHEREAS, although the City's campaign finance laws prohibit candidates for the City Commission and members of the City Commission from soliciting lobbyists, vendors and real estate developers ("prohibited donors") for contributions to political committees, a "loophole" exists in that the City Code does not address solicitations of prohibited donors for contributions for ECOs that expend funds relating to candidates for City elected office; and

WHEREAS, the City Commission has determined that responsible and effective use of legislative power requires that candidates for City elected office and incumbent members of the City Commission be insulated from actual or perceived quid pro quo, which is accomplished in part by proscribing their solicitation of prohibited donors for

contributions to both political committees and ECOs related to candidates for City elected office; and

WHEREAS, the below legislation is thus presented as an amendment to the City's Code of Conduct in order to provide for stricter ethics laws than currently exist in the City Code, and extend existing restrictions regarding solicitations for contributions for ECOs expending funds relating to candidates for City elected office; and

WHEREAS, in addition, in furtherance of the City's interests in transparency in government, this Ordinance seeks to establish a requirement for a candidate for City elected office, or a member of the city commission, to file a one-time report with the city clerk indicating that they are undertaking solicitation activities on behalf of a political committee or electioneering communications organization, prior to commencing such solicitation activities; and

WHEREAS, the following amendments to Chapter 2, Article VII, Division 5 of the City Code are necessary to accomplish this objective.

NOW THEREFORE, BE IT ORDAINED BY THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AS FOLLOWS:

SECTION 1. Miami Beach City Code Chapter 2, Article VII, Division 5 thereof at Sections 2-487 through and including 2-490 are hereby amended as follows:

SECOND READING

DATE: May 17, 2023

SUBJECT: AN ORDINANCE OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING MIAMI BEACH CITY CODE CHAPTER 2 "ADMINISTRATION", ARTICLE VII "STANDARDS OF CONDUCT", AT DIVISION 5 "CAMPAIGN FINANCE REFORM", SECTIONS 2-487 THROUGH AND INCLUDING 2-490 THEREOF TO PROHIBIT CANDIDATES FOR CITY ELECTED OFFICE AND MEMBERS OF THE CITY COMMISSION FROM SOLICITING VENDORS, REAL ESTATE DEVELOPERS AND THEIR LOBBYISTS FOR CONTRIBUTIONS TO ELECTIONEERING COMMUNICATIONS ORGANIZATIONS THAT EXPEND FUNDS RELATED TO CANDIDATES FOR CITY ELECTED OFFICE, AND FURTHER ESTABLISHING DISCLOSURE REQUIREMENTS OF SUCH CITY CANDIDATES AND CITY COMMISSION MEMBERS FOR THEIR SOLICITATION OF CONTRIBUTIONS FOR POLITICAL COMMITTEES AND ELECTIONEERING COMMUNICATIONS ORGANIZATIONS; PROVIDING FOR REPEALER, SEVERABILITY, CODIFICATION, AND AN EFFECTIVE DATE.

At the April 28, 2023 City Commission Meeting, the proposed Ordinance, sponsored by Mayor Dan Gelber and Commissioner Steven Meiner, was approved on first reading. No changes have been made between first and second reading. A summary of the proposed Ordinance is set forth below.

The City's existing campaign finance laws are a key component of the City Commission's efforts to promote ethics and public confidence in elected officials and candidates for elected office.

Among other restrictions, the City's existing campaign finance laws prohibit a candidate for City elected office and/or a member of the City Commission, from soliciting certain City vendors, real estate developers (as defined in the City Code), and their respective lobbyists (collectively, "Prohibited Donors"), for a contribution for a candidate, campaign committee of a candidate, or a political committee that supports or opposes candidates for City elected office.

The City's campaign finance laws, however, do not currently cover solicitations made to Electioneering Communications Organizations (ECOs). ECOs are recognized under Florida law as a type of group (other than a political party, affiliated party committee, or political committee), whose election-related activities are limited to making expenditures for certain "electioneering communications" within a specified period prior to any election, i.e., communications which may refer to a candidate for office without expressly advocating for election or defeat of the candidate.

Accordingly, the proposed Ordinance seeks to close the “loophole” with respect to solicitations for ECOs, and prohibit candidates for City elected office and members of the City Commission from soliciting Prohibited Donors for contributions to ECOs that expend funds related to candidates for City elected office, in the same manner as such solicitations are currently prohibited for political committees.

The proposed Ordinance also requires candidates for City elected office and members of the City Commission to register with the City Clerk, prior to commencing solicitation activities for contributions to political committees or ECOs, e.g., for those solicitations that are not otherwise prohibited under the City Code. In addition, the proposed Ordinance requires disclosure to the City Clerk in the event any agency with jurisdiction, such as the Miami-Dade County Ethics Commission, issues a letter of instruction or other finding of a violation of any solicitation requirement of the City Code or Miami-Dade County Code.

If approved on first reading on April 28, 2023, we anticipate that second reading of the proposed ordinance will be noticed for the May 17, 2023 City Commission meeting.

Temporary business signs may be erected and maintained for a period not to exceed 30 days, except that the city manager may approve an extension of time for the business to erect and maintain such signs beyond the 30 days, after the manager finds that such extension is necessary to mitigate the impacts of public construction on visibility of, or access to, the business. (c) *Prohibition on transacting business within the County.*

- (1) No person included in the terms defined in subsection (b)(1) through (6) and in subsection (b)(9) shall enter into any contract or transact any business, except as provided in subsections (c)(2) through (c)(6) in which he or she or a member of his or her immediate family has a financial interest, direct or indirect, with Miami-Dade County or any person or agency acting for Miami-Dade County, and any such contract, agreement or business engagement entered in violation of this subsection shall render the transaction voidable. Willful violation of this subsection shall constitute malfeasance in office and shall effect forfeiture of office or position.
- (2) County employees' limited exclusion from prohibition on contracting with the county. Notwithstanding any provision to the contrary herein, subsections (c) and (d) shall not be construed to prevent any employee as defined by subsection (b)(6) [excluding departmental personnel as defined by subsection (b)(5)] or his or her immediate family as defined by subsection (b)(9) from entering into any contract, individually or through a firm, corporation, partnership or business entity in which the employee or any member of his or her immediate family has a controlling financial interest, with Miami-Dade County or any person or agency acting for Miami-Dade County, as long as (1) entering into the contract would not interfere with the full and faithful discharge by the employee of his or her duties to the County, (2) the employee has not participated in determining the subject contract requirements or awarding the contract, and (3) the employee's job responsibilities and job description will not require him or her to be involved with the contract in any way, including, but not limited to, its enforcement, oversight, administration, amendment, extension, termination or forbearance. However, this limited exclusion shall not be construed to authorize an employee or his or her immediate family member to enter into a contract with Miami-Dade County or any person or agency acting for Miami-Dade County, if the employee works in the county department which will enforce, oversee or administer the subject contract.
- (3) Limited exclusion from prohibition on autonomous personnel, advisory personnel and quasi-judicial personnel contracting with county. Notwithstanding any provision to the contrary herein, subsections (c) and (d) shall not be construed to prohibit any person defined in subsection (b)(2), (b)(3) and (b)(4) from entering into any contract, individually or through a firm, corporation, partnership or business entity in which the board member or any member of his or her immediate family has a controlling financial interest, with Miami-Dade County or any person or agency acting for Miami-Dade County. However, any person defined in subsection (b)(2), (b)(3) and (b)(4) is prohibited from contracting with any agency or department of Miami-Dade County subject to the regulation,

oversight, management, policy-setting or quasi-judicial authority of the board of which the person is a member.

- (4) Any person defined in subsections (b)(2) through (b)(4) and subsection (b)(6) shall seek a conflict of interest opinion from the Miami-Dade County Commission on Ethics and Public Trust ("the Ethics Commission") prior to submittal of a bid, response, or application of any type to contract with the County by the person or his or her immediate family. A request for a conflict of interest opinion shall be made in writing and shall set forth and include all pertinent facts and relevant documents. If the Ethics Commission finds that the requirements of this section pertaining to exclusions for persons defined in subsections (b)(2) through (b)(4) and subsection (b)(6) are not met and that the proposed transaction would create a conflict of interest, the person defined in subsections (b)(2), (b)(3), (b)(4) or (b)(6) may request a waiver from the Board of County Commissioners within ten (10) days of the Ethics Commission opinion by filing a notice of appeal to the Ethics Commission. The Ethics Commission shall forward the notice of appeal and its opinion and any pertinent documents to the Clerk of the Board of County Commissioners (the "Clerk") forthwith. The Clerk shall place the request on the commission agenda for consideration by the Board. The Board of County Commissioners may grant a waiver upon an affirmative vote of two-thirds ($\frac{2}{3}$) of the entire Board of County Commissioners, after public hearing, if it finds that the requirements of this ordinance pertaining to the exclusion for a County employee from the Code have been met and that the proposed transaction will be in the best interest of the County. The Board of County Commissioners may, as provided in subsection (c)(6), grant a waiver to any person defined in subsection (b)(2) through (b)(4) regarding a proposed transaction. Such findings shall be included in the minutes of the board. This subsection shall be applicable only to proposed transactions, and the Board may in no case ratify a transaction entered into in violation of this subsection.

If the affected person or his or her immediate family member chooses to respond to a solicitation to contract with the County, such person shall file with the Clerk a statement in a form satisfactory to the Clerk disclosing the person's interest or the interest of his or her immediate family in the proposed contract and the nature of the intended contract at the same time as or before submitting a bid, response, or application of any type to contract with the County. Along with the disclosure form, the affected person shall file with the Clerk a copy of his or her request for an Ethics Commission opinion and any opinion or waiver from the Board. Also, a copy of the request for a conflict of interest opinion from the Ethics Commission and any opinion or waiver must be submitted with the response to the solicitation to contract with the County.

Notwithstanding any provision herein to the contrary, the County and any person or agency acting for Miami-Dade County shall not award a contract to any person defined in subsections (b)(2) through (b)(4) and subsection (b)(6) or his or her immediate family individually or through a firm, corporation, partnership or business entity in which the person or any member of his or her immediate family has a controlling financial interest, unless the Ethics Commission has rendered an opinion that entering the contract would not be a conflict of interest or the Board waives the conflict in accordance with the provisions of this ordinance.

The County Manager is directed to include language in all solicitations for county contracts advising persons defined in subsections (b)(2) through (b)(4) and subsection (b)(6) of the applicable conflict of interest code provisions, the provisions of this ordinance, including the requirement to obtain an Ethics Commission opinion and make

disclosure, and the right to seek a legal opinion from the State of Florida Ethics Commission regarding the applicability of state law conflict of interest provisions.

- (5) Nothing herein shall prohibit or make illegal (1) the payment of taxes, special assessments or fees for services provided by County government; (2) the purchase of bonds, anticipation notes or other securities that may be issued by the County through underwriters or directly from time to time; (3) the participation of the persons included in the terms defined in subsection (b)(1) through (6), except for employees of the general services administration and their "immediate family" as defined in (b)(9), in the public auction process utilized by the County for the disposal of surplus motor vehicles; (4) the purchase of surplus personal property, pursuant to administrative order, by persons defined in subsection (b)(1) through (6) and (9); (5) an application for direct assistance from the Miami-Dade County Department of Housing and Urban Development or an application to participate in a program administered by the Department of Special Housing has been submitted by an applicant who is a County person as defined in subsection (b) and who would but for this section be eligible for such assistance from said department; provided, however, that the exception provided in this paragraph shall not extend to an employee of the Miami-Dade County Department of Housing and Urban Development or the Department of Special Housing who participates in the administration of said programs; or (6) and application to participate in a single-family mortgage loan program sponsored by the Housing Finance Authority of Miami-Dade County, has been submitted by a County person as defined in subsection (b), and would but for this section be eligible for participation in said program; provided, however, that the exception provided in this paragraph shall not extend to an employee of the Miami-Dade County Finance Department who participates in the administration of said single-family mortgage loan program.
- (6) Extension of waiver to county commissioners, autonomous personnel, quasi-judicial personnel, and advisory personnel. The requirements of this subsection may be waived for a particular transaction only by affirmative vote of two-thirds of the entire Board of County Commissioners, after public hearing. Such waiver may be affected only after findings by two-thirds of the entire Board that:
 - (1) An open-to-all sealed competitive bid has been submitted by a County person as defined in subsection (b)(2), (3) and (4), or
 - (2) The bid has been submitted by a person or firm offering services within the scope of practice of architecture, professional engineering, or registered land surveying as defined by the laws of the State of Florida and pursuant to the provisions of the Consultants' Competitive Negotiation Act, and when the bid has been submitted by a County person defined in subsection (b)(2), (3) and (4), or
 - (3) The property or services to be involved in the proposed transaction are unique and the County cannot avail itself of such property or services without entering a transaction which would violate this subsection but for waiver of its requirements, or
 - (4) That the property or services to be involved in the proposed transaction are being offered to the County at a cost of no more than 80 percent of fair market value based on a certified appraisal paid for by the provider, and
 - (5) That the proposed transaction will be to the best interest of the County.

Such findings shall be spread on the minutes of the Board. This subsection shall be applicable only to prospective transactions, and the Board may in no case ratify a transaction entered in violation of this subsection.

Provisions cumulative. This subsection shall be taken to be cumulative and shall not be construed to amend or repeal any other law pertaining to the same subject matter. (Ord. The remaining provisions of subsection (c) will also be applicable to this subsection as though incorporated herein by recitation.

Additionally, no person included in the term defined in subsection (b)(1) shall vote on or participate in any way in any matter presented to the Board of County Commissioners if said person has any of the following relationships with any of the persons or entities which would be or might be directly or indirectly affected by any action of the Board of County Commissioners: (i) officer, director, partner, of counsel, consultant, employee, fiduciary or beneficiary; or (ii) stockholder, bondholder, debtor, or creditor, if in any instance the transaction or matter would affect the person defined in subsection (b)(1) in a manner distinct from the manner in which it would affect the public generally. - (7) *Expenditure reports.*
- (a) On July 1 of each year, the lobbyist shall submit to the Clerk of the Board of County Commissioners a signed statement under oath, as provided herein, listing all lobbying expenditures in excess of twenty-five dollars (\$25.00) for the preceding calendar year. The statement shall list in detail each expenditure by category, including food and beverage, entertainment, research, communication, media advertising, publications, travel, lodging and special events. Even if there are no reportable expenditures during a reporting period, a statement shall be filed so indicating.
 - (b) The Clerk of the Board of County Commissioners shall notify any lobbyist who fails to timely file an expenditure report. In addition to any other penalties which may be imposed as provided in subsection (s)(9), a fine of fifty dollars (\$50.00) per day shall be assessed for reports filed after the due date. Where a fine of fifty dollars (\$50.00) per day is assessed, the Ethics Commission shall not impose a fine as provided in subsection (z). Any lobbyist who fails to file the required expenditure report by September 1 shall be automatically suspended from lobbying until all fines are paid unless the fine has been appealed to the Ethics Commission.
 - (c) The Clerk of the Board of County Commissioners shall notify the Commission on Ethics and Public Trust of the failure of a lobbyist or principal to file a report and/or pay the assessed fines after notification.
 - (d) A lobbyist or principal may appeal a fine and may request a hearing before the Commission on Ethics and Public Trust. A request for a hearing on the fine must be filed with the Commission on Ethics and Public Trust within fifteen (15) calendar days of receipt of the notification of the failure to file the required disclosure form. The Commission on Ethics and Public Trust shall have the authority to waive the fine, in whole or part, based on good cause shown. The Commission on Ethics and Public Trust shall have the authority to adopt rules of procedure regarding appeals from the Clerk of the Board of County Commissioners.
- (8) *Contingency fees.*
- (a) No person may, in whole or in part, pay, give or agree to pay or give a contingency fee to another person. No person may, in whole or in part, receive or agree to receive a contingency fee.
 - (b) As used herein, "contingency fee" means a fee, bonus, commission, or nonmonetary benefit as compensation which is dependent on or in any way contingent on the lobbying activities.
- (9) *Lobbyist registration logs.*
- (a) The Clerk shall publish logs on a quarterly and an annual basis reflecting the principal and lobbyist registrations which have been filed in accordance with this subsection (s).

- (b) All logs shall be prepared in a manner substantially similar to the logs prepared for the Florida Legislature pursuant to Section 11.045, Florida Statutes.

(10) *Violations.*

- (a) The Ethics Commission shall investigate any person engaged in lobbying who may be in violation of this subsection (s).
- (b) In the event that a violation is found to have been committed the Ethics Commission may, in addition to the penalties set forth in subsection (z), prohibit such person from lobbying before the County Commission or any committee, board or personnel of the County as provided herein.
- (c) Every lobbyist who is found in violation of this section shall be prohibited from registering as a lobbyist or lobbying in accordance with the following schedule:
 - 1st violation for a period of 90 days from the date of determination of violation;
 - 2nd violation for a period of one (1) year from the date of determination of violation;
 - 3rd violation for a period of five (5) years from the date of determination of violation.

As used herein, a "direct violation" shall mean a violation committed by the bidder or proposer and an "indirect violation" shall mean a violation committed by a lobbyist representing said bidder or proposer. A contract entered into in violation of this section shall also render the contract voidable. The County Mayor or designee shall include the provisions of this subsection in all County bid documents, RFP, RFQ, CBO and CDBG applications; provided, however, the failure to do so shall not render any contract entered into as a result of such failure illegal per se.

(11) *Diligence requirement; lobbying by unregistered persons; effect on County action.*

- (a) All members of the County Commission, and all County personnel, shall be diligent to ascertain whether persons required to register as lobbyists pursuant to this subsection (s) have complied with the requirement. This diligence requirement may be satisfied if members of the County Commission, or County personnel, maintain a written log that documents all oral lobbying communications or meetings with a lobbyist, held for the purpose of lobbying outside a duly noticed public meeting or hearing, and the log, at a minimum, reflects the name of the lobbyist, the date of the lobbying activity, whether the lobbyist indicates he or she is registered, and the subject matter discussed. Each such log shall be maintained and made available consistent with public record requirements.
- (b) Commissioners or County personnel shall not knowingly permit a person who is not registered pursuant to this subsection to lobby the Commissioner or his or her staff, or the relevant committee, board, or County personnel.
- (c) Notwithstanding the foregoing, and except as otherwise provided herein, the validity of any action or determination of the Board of County Commissioners or County personnel, board, or committee shall not be affected by the failure of any person to register as a lobbyist or otherwise comply with the provisions of subsection (s).

STATEMENT OF FAIR CAMPAIGN PRACTICES

As a candidate for public office in Miami-Dade County, I believe that political issues can be freely debated without appealing to racial, ethnic, religious, sexual or other prejudices. I recognize that such negative appeals serve only to divide this community and create long-term moral, social and economic problems.

Therefore:

1. I shall not make my race, religion, national origin, gender, physical disability or sexual orientation an issue in my campaign.
2. I shall not make my opponents' race, religion, national origin, gender, physical disability or sexual orientation an issue in my campaign.
3. I will condemn any appeal to prejudice based on race, creed, national origin, religion, gender, physical disability or sexual orientation.
4. I shall not without just cause attack or question my opponent's patriotism.
5. I shall not publish, display or circulate any anonymous campaign literature or political advertisement.
6. I shall not tolerate my supporters engaging in these activities which I condemn nor shall I accept their continued support if they engage in such activities. I will not permit any member of my campaign organization to engage in these activities and will immediately and publicly repudiate the support of any other individual or group which resorts to the methods and tactics I condemn.

7. I shall run a positive campaign emphasizing my qualifications for office and positions on issues of public concern.
 8. I will limit my attacks on an opponent to legitimate challenges to that person's record, qualifications, and positions.
 9. I will neither use nor permit the use of malicious untruths or innuendoes about an opponent's personal life, nor will I make or condone unfounded accusations discrediting that person's credibility.
 10. I will take personal responsibility for approving or disavowing the substance of attacks on my opponent that may come from third parties supporting my candidacy.
 11. I will not use or permit the use of campaign material that falsifies, distorts, or misrepresents facts.

- (E) *Procedure.* The procedures provided in Chapter 2, Article LXXVIII of the Code of Miami-Dade County shall govern all complaints or requests for advisory opinions brought pursuant to the Ethical Campaign Practices Ordinance. Notwithstanding the foregoing, the Ethics Commission may conduct an expedited proceeding, with the assistance of hearing examiners, when a complaint is filed pursuant to the Ethical Campaign Practices Ordinance within fifty (50) days of a primary, general or special election.
