

Statement of No Change: Architect

I, _____ as successor architect for the project located at:
_____ for permit number _____ do hereby attest that I take all professional and legal responsibility for the documents which I have sealed and signed and can in no way exempt myself from such full responsibility. As successor registered architect, I have used my own title block, seal and signature and must remove the title block, seal and signature of the original registered architect before sealing, signing and dating any sealed contract documents as required by Florida Administrative Code 61G1-18.002 and Florida Statute 481.

I also attest that I made every effort to notify the original registered architect of my intention to use or reuse the original registered architect's work and take full responsibility for the drawings as though they were my original product. Furthermore, I can provide documentation of such effort as required by Florida Administrative Code 61G1-18.002 and Florida Statute 481.

I further attest that there have been **no changes, alterations, omissions, or additions** to the previously approved plans other than the change of the title block.
