## **RESOLUTION NO.** 2024-32997

## A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, ADOPTING THE THIRD AMENDMENT TO THE GENERAL FUND, ENTERPRISE FUNDS, INTERNAL SERVICE FUNDS, AND SPECIAL REVENUE FUNDS BUDGETS FOR FISCAL YEAR 2024 AS SET FORTH IN THIS RESOLUTION AND IN THE ATTACHED EXHIBIT "A."

WHEREAS, the budgets for the General Fund, Enterprise Funds, Internal Service Funds, and Special Revenue Funds for Fiscal Year (FY) 2024 were adopted by the Mayor and City Commission on September 27, 2023, through Resolution No. 2023-32785; and

WHEREAS, the First Amendment to the General Fund, Enterprise Funds, Internal Service Funds, and Special Revenue Funds budgets for FY 2024 was adopted by the Mayor and City Commission on November 28, 2023, through Resolution No. 2023-32837; and

WHEREAS, the Second Amendment to the General Fund, Enterprise Funds, Internal Service Funds, and Special Revenue Funds budgets for FY 2024 was adopted by the Mayor and City Commission on February 21, 2024, through Resolution No. 2024-32932; and

**WHEREAS,** the City of Miami Beach recognizes the importance of providing adequate resources to its elected officials to better serve the public and fulfill their duties; and

WHEREAS, at the March 31, 2024 City Commission meeting, the Mayor and City Commission approved an enhancement of support services in an amount not to exceed \$120,000 per City Commissioner per year for City Commissioners to better serve the public by authorizing each City Commissioner to retain additional professional support, either on a full-time or part-time employee basis or, in the alternative, as an independent contractor for such services; and

WHEREAS, the total projected cost of this enhancement that was approved by the Mayor and City Commission on March 13, 2024 is approximately \$360,000 (pro-rated for 6 months), which would be funded from the City's General Fund reserves and included in the Mayor and City Commission's FY 2024 General Fund budget, and the annualized projected cost, which is \$720,000 for FY 2025, included in the Mayor and City Commission's proposed General Fund operating budget beginning in FY 2025; and

WHEREAS, at the March 31, 2024 City Commission meeting, an item was presented to discuss and take potential action regarding stipends and staffing for members of the City Commission; and

WHEREAS, several items were brought forth for consideration and discussed by the Mayor and City Commission at the March 13, 2024 City Commission meeting, which were to: (1) adjust the Mayor and Commissioners' monthly stipends for inflation since last increased; (2) adjust the stipends by the net average federal tax rate of 24.8% based on current IRS regulations and the Tax Cuts and Jobs Act that was signed into law in December 2017, which resulted in the elimination of itemized tax deductions commencing in 2018; (3) adjust the Mayor and Commissioners' monthly vehicle and mobile telephone allowances based on the allowances provided to the City's Charter Officers (City Manager, City Attorney, City Clerk, and Inspector General); and (4) automatic annual adjustments of stipends for inflation to avoid "catch-ups" over time; and

WHEREAS, the Mayor and City Commission approved all of the items that were brought forth and discussed above, with certain amendments, which were that these increases go into effect, retroactively, to November 2023, except for 2 City Commissioners who elected not to receive the stipends; and

WHEREAS, this proposed budget amendment is to appropriate \$91,000 (pro-rated for 11 months) in the Mayor and City Commission's FY 2024 General Fund budget from the City's General Fund reserves to fund the increases in the stipends, retroactively to November 2023, for members of the City Commission as approved by the Mayor and City Commission on March 13, 2024, and the annualized projected cost, which is approximately \$105,000 for FY 2025, would be included in the Mayor and City Commission's proposed General Fund operating budget beginning in FY 2025; and

WHEREAS, with the growing concerns in the Miami Beach community, particularly regarding transportation and public safety issues, the need for a Constituent Services Manager position in the Mayor and Commission's Office is becoming increasingly apparent and critical; and

WHEREAS, this full-time position requested by the Mayor in the Mayor and Commission Office, which will provide for a single point of contact, will monitor and process citizen requests through the appropriate channels so that they can be streamlined while ensuring that every issue receives the attention it deserves, leading to more efficient and satisfactory solutions; and

WHEREAS, the total projected cost for this additional full-time position, including salaries and benefits for FY 2024, is approximately \$56,000 (pro-rated for 6 months), which would be funded from the City's General Fund reserves and included in the Mayor and City Commission's FY 2024 General Fund budget, and the annualized projected cost, which is approximately \$113,000 for FY 2025, included in the Mayor and City Commission's proposed General Fund operating budget beginning in FY 2025; and

WHEREAS, at the March 13, 2024 City Commission meeting, an item that was discussed at the February 23, 2024 Finance and Economic Resiliency Committee (FERC) meeting approving the waiver of Miami Beach Convention Center room rental fees and a sponsorship in an amount not to exceed \$50,000 per fiscal year for Miami Beach public school graduations and promotions was included on the City Commission meeting agenda for City Commission consideration and approval with a recommendation for funding from the FERC; and

WHEREAS, the Mayor and City Commission approved this item on consent at the March 13, 2024 City Commission meeting for a three-year pilot program during fiscal years 2024, 2025, and 2026, subject to appropriation by the Mayor and City Commission through the annual budget process; and

WHEREAS, this proposed budget amendment is to appropriate \$50,000 in the Economic Development Department's FY 2024 General Fund budget from the City's General Fund reserves to fund the FY 2024 sponsorship that was approved by the Mayor and City Commission on March 13, 2024, and the annual budget allocations of \$50,000 for FY 2025 and \$50,000 for FY 2026, in accordance with the three-year pilot program that was approved by the Mayor and City Commission, would be included in the proposed annual General Fund budgets for Economic Development for FY 2025 and FY 2026, respectively; and

WHEREAS, at the March 13, 2024 City Commission meeting, an item was included on the agenda directing the City Administration to implement a reasonably priced security camera pilot program by purchasing and installing Arlo cameras (or equivalent) for use by Code Compliance and the Miami Beach Police Department to detect code violations and/or criminal activity at public sites on the western boundary of the City along the intracoastal waterway; and

WHEREAS, the Mayor and City Commission approved this item on consent at the March 13, 2024 City Commission meeting, directing the City Administration to implement the security camera pilot program at a cost not to exceed \$20,000; and

WHEREAS, this proposed budget amendment is to appropriate \$20,000 in the FY 2024 General Fund budget from the City's General Fund reserves to fund the purchase and installation of the security cameras to be installed at public sites on the western boundary of the City along the intracoastal waterway based on the item that was approved by the Mayor and City Commission on March 13, 2024.

NOW, THEREFORE, BE IT DULY RESOLVED BY THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, that, following a duly noticed public hearing on April 3, 2024, the Mayor and City Commission hereby adopt the Third Amendment to the FY 2024 General Fund, Enterprise Funds, Internal Services Funds, and Special Revenue Funds budgets as set forth in this Resolution and in the attached Exhibit "A."

**PASSED** and **ADOPTED** this 3 day of April, 2024. ATTEST: Steven Meiner, Mayor APR 0 8 2024 Rafael E. Granado, City Clerk APPROVED AS TO FORM & LANGUAGE & FOR EXECUTION City Attorney

## COMMISSION MEMORANDUM

- TO: Honorable Mayor Steven Meiner and Members of the City Commission
- FROM: Alina T. Hudak, City Manager
- DATE: April 3, 2024
- SUBJECT: A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, ADOPTING THE THIRD AMENDMENT TO THE GENERAL FUND, ENTERPRISE FUNDS, INTERNAL SERVICE FUNDS, AND SPECIAL REVENUE FUNDS BUDGETS FOR FISCAL YEAR 2024 AS SET FORTH IN THIS RESOLUTION AND IN THE ATTACHED EXHIBIT "A."

#### ADMINISTRATION RECOMMENDATION

Adopt the Resolution.

#### STRATEGIC PLAN SUPPORTED

Organizational Innovation – Ensure strong fiscal stewardship

#### BACKGROUND

The budgets for the General Fund, Enterprise Funds, Internal Service Funds, and Special Revenue Funds for Fiscal Year (FY) 2024 were adopted by the Mayor and City Commission on September 27, 2023, through Resolution No. 2023-32785.

The First Amendment to the General Fund, Enterprise Funds, Internal Service Funds, and Special Revenue Funds budgets for FY 2024 was adopted by the Mayor and City Commission on November 28, 2023, through Resolution No. 2023-32837.

The Second Amendment to the General Fund, Enterprise Funds, Internal Service Funds, and Special Revenue Funds budgets for FY 2024 was adopted by the Mayor and City Commission on February 21, 2024, through Resolution No. 2024-32932.

#### GENERAL FUND

#### Additional Support Services for City Commissioners

At the March 13, 2024 City Commission meeting, an item was included on the agenda to enhance support services for City Commissioners in order to carry out their legislative duties more effectively, engage with constituents, and address public concerns, based on their needs.

The Mayor and City Commission approved this item on consent at the March 13, 2024 City Commission meeting, which authorized each City Commissioner to retain additional professional

Third Amendment to the FY 2024 General Fund, Enterprise, Internal Service, and Special Revenue Funds Budgets Page 2

support, either on a full-time or part-time employee basis or, in the alternative, as an independent contractor for such services in an amount not to exceed \$120,000 per City Commissioner per year.

As a result, this proposed budget amendment is to appropriate \$360,000 (pro-rated for 6 months) in the Mayor and City Commission's FY 2024 General Fund budget from the City's General Fund reserves for each City Commissioner to retain additional professional support, in accordance with the enhancement that was approved by the Mayor and City Commission on March 13, 2024. The projected total annualized cost of approximately \$720,000 (\$120,000 for each City Commissioner) would be included in the Mayor and City Commission's proposed General Fund budget beginning in FY 2025.

#### Stipends and Allowances for Members of City Commission

At the March 13, 2024 City Commission meeting, an item was presented to discuss and take potential action regarding stipends and staffing for members of the City Commission.

The City Charter establishes a salary of \$10,000 per year for the Mayor and \$6,000 for each City Commissioner. To help offset the expenses associated with their public offices, such as providing food for the elderly and purchasing tickets to attend a myriad of civic, non-profit, and community events, the Mayor and City Commissioners have received a monthly stipend for many years. The monthly stipend for the Mayor is currently \$2,000, which has not been adjusted in approximately 18 years, while the monthly stipend for each City Commissioner is \$2,250, which has not been adjusted in over 5 years. In addition, members of the City Commission receive a vehicle allowance of \$500 per month and telephone allowance of \$100 per month.

Several items were brought forth for consideration and discussed by the Mayor and City Commission at the March 13, 2024 City Commission meeting, which were the following:

- 1. Adjust the Mayor and Commissioners' monthly stipends for inflation since last increased
- 2. Adjust the stipends by the net average federal tax rate of 24.8% based on current IRS regulations and the Tax Cuts and Jobs Act that was signed into law in December 2017, which resulted in the elimination of itemized tax deductions commencing in 2018
- 3. Adjust the Mayor and Commissioners' monthly vehicle and mobile telephone allowances based on the allowances provided to the City's Charter Officers (City Manager, City Attorney, City Clerk, and Inspector General)
- 4. Automatic annual adjustments of stipends for inflation to avoid "catch-ups" over time

The Mayor and City Commission approved all of the items that were brought forth and discussed above, with certain amendments, which were that these increases go into effect, retroactively, to November 2023, except for 2 City Commissioners who elected not to receive the stipends.

As a result, this proposed budget amendment is to appropriate \$91,000 (pro-rated for 11 months) in the Mayor and City Commission's FY 2024 General Fund budget from the City's General Fund reserves to fund the increases in the stipends, retroactively to November 2023, for members of the City Commission as approved by the Mayor and City Commission on March 13, 2024. The projected total annualized cost, which is approximately \$105,000 for FY 2025, would be included in the Mayor and City Commission's proposed General Fund budget beginning in FY 2025.

Third Amendment to the FY 2024 General Fund, Enterprise, Internal Service, and Special Revenue Funds Budgets Page 3

#### **Constituent Services Manager**

The Mayor has requested a full-time Constituent Services Manager position be added to serve as a single point of contact in the Mayor's Office. This full-time position will be primarily responsible for receiving, processing, and monitoring resident requests through the appropriate channels within the City of Miami Beach.

The total projected cost of this additional full-time position to be added to the Mayor and City Commission's FY 2024 General Fund budget in this proposed budget amendment, including salaries and benefits, is approximately \$56,000 (pro-rated for 6 months), which would be funded from the City's General Fund reserves. If approved, the projected annualized cost, which is approximately \$113,000 in FY 2025 for this additional full-time position, would be included in the Mayor and City Commission's proposed General Fund budget beginning in FY 2025.

#### Miami Beach Public School Graduations

At the March 13, 2024 City Commission meeting, an item that was discussed at the February 23, 2024 Finance and Economic Resiliency Committee (FERC) meeting approving the waiver of Miami Beach Convention Center room rental fees and a sponsorship in an amount not to exceed \$50,000 per fiscal year for Miami Beach public school graduations and promotions was included on the City Commission meeting agenda for City Commission consideration and approval with a recommendation for funding from the FERC.

The Mayor and City Commission approved this item on consent at the March 13, 2024 City Commission meeting for a three-year pilot program during fiscal years 2024, 2025, and 2026, subject to appropriation by the Mayor and City Commission through the annual budget process.

As a result, this proposed budget amendment is to appropriate \$50,000 in the Economic Development Department's FY 2024 General Fund budget from the City's General Fund reserves to fund the FY 2024 sponsorship that was approved by the Mayor and City Commission on March 13, 2024. The annual budget allocations of \$50,000 for FY 2025 and \$50,000 for FY 2026, in accordance with the three-year pilot program that was approved by the Mayor and City Commission, will be included in the proposed annual General Fund budgets for Economic Development for FY 2025 and FY 2026, respectively.

#### Security Camera Pilot Program

At the March 13, 2024 City Commission meeting, an item was included on the agenda directing the City Administration to implement a reasonably priced security camera pilot program by purchasing and installing Arlo cameras (or equivalent) for use by Code Compliance and the Miami Beach Police Department to detect code violations and/or criminal activity at public sites on the western boundary of the City along the intracoastal waterway.

The Mayor and City Commission approved this item on consent at the March 13, 2024 City Commission meeting, directing the City Administration to implement the security camera pilot program at a cost not to exceed \$20,000.

As a result, this proposed budget amendment is to appropriate \$20,000 in the FY 2024 General Fund budget from the City's General Fund reserves to fund the purchase and installation of the security cameras to be installed at public sites on the western boundary of the City along the

Third Amendment to the FY 2024 General Fund, Enterprise, Internal Service, and Special Revenue Funds Budgets Page 4

intracoastal waterway based on the item that was approved by the Mayor and City Commission on March 13, 2024.

.

#### CONCLUSION

The City Administration recommends that the Mayor and City Commission adopt the Third Amendment to the General Fund, Enterprise Fund, Internal Service Fund, and Special Revenue Fund budgets for FY 2024 described herein and further detailed in the attached Exhibit "A."

Was agenda item initially requested by a lobbyist which, as defined in Code Sec. 2-481, includes a principal engaged in lobbying? <u>No</u>

If so, specify name of lobbyist(s) and principal(s): N/A
