**Have you ever wanted to reach all 65,000 residences in Miami Beach?** Advertising in MB magazine is the quickest way to reach every resident plus countless visitors to this island paradise. Cheaper than an ad in a local newspaper and more effective than an expensive direct-mail campaign, advertising in MB magazine makes economic sense. Paired with editorial content directly related to every resident, your ad will surely be seen and get passed along to others.

## AT A GLANCE

MB is a free, bilingual publication produced in response to resident and business surveys that reflected an interest in receiving more information about the city. MB is mailed to every household in Miami Beach, as well as distributed at city facilities.

Not only is MB informative and well-designed, it is also a great value when considering promoting your business to the Miami Beach community. For as little as a fraction of a penny, it is by far the best value available for citywide advertising directly to a highly coveted demographic.

The MB communications team strives to create meaningful and interesting features that directly target issues that concern residents and businesses in the Miami Beach community. MB is a 64-page award-winning publication, including a 3CMA Award of Excellence.

## SECTIONS

MB magazine is written specifically for Miami Beach residents. Information related to parks and recreation, cultural events, free things to do and countless other topics are spread out through nine sections:

- Safety First Topics
- Your Space
- Health and Fitness
- Next Generation
- Green Space
- Cultural Corner
- Planned Progress
- Since You Asked
- At Your Service

## VALUE

MB is the choice for businesses that want to advertise directly to residents in Miami Beach. With the lowest cost per impression and direct mailing to every residence, advertising in MB is a great, economical choice.

### PRODUCTION NOTES

**All ads that are not full-page do not have bleed.** Acceptable formats for ads are CMYK, high-resolution (300 dpi) PDF or JPG files supplied on disk or in E-mail. Please call 305.673.7000 x4819 for additional information. Ads must be supplied camera-ready. Please outline all text prior to sending. 4-color only. No PMS colors in ads.

## AD SPECIFICATIONS AND ACCEPTABLE FILE FORMATS

Ads must be created in a professional publications software program such as: Adobe Indesign, Quark Xpress, Adobe Illustrator, or Adobe Photoshop.

- Press-ready PDF (preferred)  
PDFs created from Word, WordPerfect, Excel, PowerPoint, or similar programs will not reproduce properly for publication printing.
- Whether your PDF conversion process is integrated into your graphics software or is created separately, the file must be a high-resolution PDF. Depending on the process you use, select "Press" or "Press Ready" and check the options to make sure "crop marks," "registration marks," and "bleed" are included in your PDF output.
- Native Files  
Adobe Illustrator or Adobe Photoshop files are accepted from both Macintosh and PC platforms. Convert all colors to CMYK or grayscale and delete unused colors from your file. Include all fonts and images, and a spec sheet or report listing the version of software used.
- High-resolution TIFF or EPS  
Ads may also be submitted as high-resolution (300 dpi) tiffs or eps files created to size and in CMYK colors.

### UNACCEPTABLE FORMATS & FILES

We cannot accept files in the following formats under any condition: Microsoft Publisher; any word processing software; any presentation software such as PowerPoint. NOTE: Ads submitted as film or in formats not specified above may be refused at the discretion of the publisher or will incur an additional processing fee to cover the cost of conversion.

### FONT, IMAGES, TRIM and BLEEDS

Do not place "live matter" closer than 1/4 inch from the trim edge of your document. Allow 1/4-inch bleed beyond the trim edge.

Linked images (photos, logos, etc.) must be supplied in TIFF or EPS formats. Photo image resolution of 300 dpi at reproduced size is required. Convert all color images to CMYK. RGB colors are not acceptable. Black and white ads should be saved as grayscale files. Total color density should not exceed 300 percent.

Publisher reserves the right to reject any ad not in keeping with the publication's standards. Publisher reserves the right to reject faulty or improperly prepared materials. Publisher is not responsible for any claims made by advertisers. The liability of the publisher for any error for which it may be held legally responsible will not exceed the cost of the space ordered.

The publisher assumes no liability for errors in the typesetting of copy changes or key numbers and will not be held liable for any loss of income or profits or any consequential damages as a result of such errors.
